THE MODERN DAY

I stand up for my pride
I don't wanna be just like anyone
In this world I cannot hide
I must finish what I have begun.

Solidarity *was an unforgettable word of 1982. Solidarity stood for the unity of a small band of Polish workers led by* Lech Walesa. *The desire for freedom that motivated this tiny group reached out to encompass the entire western world.*

To thwart the efforts of this movement, the Polish government pulled the plug on all communications, and even censored mail. Gas stations were closed and air and land travel was limited. The entire society was paralyzed with schools recessed and withdrawals from banks limited. Retention camps were set up across the country. The government claimed 4,000 Poles were being held in such camps while the Union claimed 40,000 were in captivity.

For 650 striking Major League Baseball Players *an average salary of $173,000 a year was not sufficient!*

Seven hundred games were cancelled and players lost $28 million in salary in a fifty day strike, the longest in baseball history. The strike ended on July 31, 1981, and play resumed on Aug. 9, 1981, with the All-Star game in Cleveland.

That's the way I play
In the Modern Day
Cause I wanna stay
In the Modern Day

In mid-December of 1981, U.S. Brigadeer General James Dozier *was kidnapped from his Verona, Italy home and carried off in a trunk by the notorious* Red Brigade. *The specialized Italian Police force,* The Leatherheads, *performed a textbook operation to uncover the hidden general.*

Once again the issue of Nuclear Arms *came under debate in 1981-82. President Reagan's policy of catching up with the Soviet Union by military strength makes it virtually impossible to halt the nuclear weapon buildup.*

The President is backed by many Americans who feel peace can come only through power. However, the arms build up is strengthening a network of anti-nuclear groups around the nation and world.

Got a picture in my mind
Of the way that I wanna be
So I search until I find
The power inside of me.

History was made on July 7, 1981, when President Reagan announced his nomination of Judge Sandra Day O'Connor *to be the first woman justice of the United States Supreme Court. She was officially confirmed by a 99-0 vote of the United States Senate and sworn in on September 25, 1981.*

For the fourth year in a row, the number of states having ratified the proposed Equal Rights Amendment *stood at 35. Three more votes are required by June 30, 1982 in order to pass the amendment.*

The Dallas Cowboys almost made the Super Bowl *in 1982, but in the deciding playoff game between Dallas and San Francisco, the 49'ers came out victorious. Then in the Super Bowl, led by Joe Montana, the 49'ers quick-thinking and good-looking quarterback, San Francisco beat the Cincinatti Begals in a 26-21 victory.*

It's another phase
Of the Modern Day

In January of 1982, thermometers all over the country read lower than they had in centuries.

Weather records were broken in 75 cities including Chicago (-26 F), Augusta, Georgia (1 F), Atlanta, Florida (-5 F), and Washington, D. C. (2 F).

One major disaster resulting from the severe weather was the crash of a Florida-bound Boeing 737 in Washington, D.C. Seventy-eight people were killed when plane plowed across traffic-clogged 14th Street Bridge and plunged into the icy Potomac River. Five cars and a truck were smashed when the plane hit.

Lenny Skutnik, *a clerk for the Congressional Budget Office, who was watching from the shore, plunged into the water to save one of the passengers and dragged her to land. An unknown hero relinquished his chance of survival to save five other passengers. He was drowned beneath the icy waters.*

Gotta face up to this life
Can't let it get the best of me
So I make a sacrifice
If that's the way it has to be

Reaganomics *was a term used for President Ronald Reagan's approach to economics. Reagan proposed to cut back on Big Government spending in order to have a balanced budget. The President's plan was to eliminate government agencies which he felt the country could do without. By cutting back in various programs, he intended to increase the national defense spending by $1 trillion in order to catch up with Soviet arms. Reagan's* New Federalism *plan is specifically an attempt to return the power to the states.*

The question raised, however, is what this will do to the poor of America? President Reagan claims that his economic course will soon start to work. Many Americans, nonetheless, feel that unemployment and inflation will continue to rise and the poor of America will become poorer as the rich become richer.

I'm doin' what I feel is right
I'm ready if I need to fight
In the modern way

Under the Reagan administration, regimes which were threatened by terrorism became eligible for assistance regardless of their human rights record. Congress increased economic and military aid to the war-stricken country of El Salvador *and dispatched military advisors for training Salvadoran armies.*

The public reaction to Reagan's policies was a mounting fear of "another Vietnam." Reagan called upon the media to publicize the Soviet's involvement in El Salvador and to report on Soviet arms shipments. Despite the widespread public unrest, the State Department stood by its basic conclusions that we should continue our aid to the government of El Salvador.

While the world's attention was focused on the Poland crisis, Israel's prime minister Begin called a meeting of Israel's Parliament to announce his plan to seize the Golan Heights *area from Syria. After six hours of debate, the measure was passed, and before the world even knew it, Begin had rammed through the de facto annexation of another slice of occupied Arab territory.*

Washington reacted by suspending the U.S.-Israeli strategic-cooperation agreement. The immediate effect was to halt plans for joint naval maneuvers in the eastern Mediterranean and to hold up U.S. purchases of 200 million of Israeli-made military equipment. The President feels that this move may have been intended to outflank militant Sinai settlers who threaten to sabotage Syrian's withdrawal from the **Heights in the Spring of '82.**

Gotta face up to this life
Can't let it get the best of me
If I make a sacrifice
That's the way it has to be.

On October 6, 1981, at a military parade in honor of the eighth anniversary of the Yom Kippur War, President Anwar Sadat was assassinated by members of the Al Tigfir wal Hijra, an offshoot of Egypt's Woulawed Moslim Brotherhood.

The assassination not only left the Mideast facing dangerous political void but also deprived the world of one of the few leaders whose bold imagination and personal courage seemed to have made a difference in history. Americans especially felt a sharp sense of loss. We can only hope that Sadat's successor, Hosni Mubarak, will have the courage to continue taking steps necessary to achieve peace in the Middle East.

Like a motor in overdrive
I feel good and I feel alive
I got no need to beg or borrow
Got a shortcut to tomorrow

One of the year's happiest moments came on July 29, when Prince Charles and Lady Diana were married in St. Paul's Cathedral in London. There were 2,500 wedding guests at the church, while 750 million people around the world watched the ceremony on television.

The couple spent their honeymoon at the Broodlands, a Hampshire estate of Charles's granduncle. In November it was announced that a baby was due in June of 1982.

And I'm on my way
To the Modern Day
That's the way I play

Although the nuclear mishap at Robert E. Ginna Power Plant *at Ontario, N.Y. was quickly corrected and caused no real problems, the expected cost of $250,000 to $400,000 a day for replacement power was "fuel" for countless protests against nuclear power. The major concern for the financially-dying Nuclear industry is who will pay for staggering expenses such as these. Ultimately, the cost is passed on to the consumer.*

A source of controversy here in South Texas was the Nuclear Power plant under construction in Bay City. The plant brought the question of nuclear power to the front door of Columbia students.

Cause I'm here to stay
In the Modern Day

While people from nursery school to nursing homes were being Izodized *and* Calvinized, *an aerobic dance craze caught fire in the country. Influenced by actress Jane Fonda, whose recent movie* On Golden Pond *received ten academy award nominations, aerobic dance classes sprung up all over the country, even in public shools! While the boys and men played "Pac Man" in the game room, the females jumped, kicked, and danced to such tunes as "Physical" (Olivia Newton-John) or "Why Do Fools Fall in Love" (Diana Ross).*

In the Modern Day.

Spirit week was filled with all kinds of activities designed to charge up Columbia students! Monday was 50's day and participators dressed in hoop skirts, bobby socks, loafers, and white-button down shirts!

During Punk Rock Day — one of our favorite days — students decked themselves out in everything from mismatched prints to psychedelic colors to leopard skin body-suits! Some students went so far as to streak their hair in wild shades such as fuschia, orange, and neon yellow!

The students themselves created a day this year and everyone joined in the fun! Cars displayed colorful hood scopes and shiny chrome mufflers on Hood Scoop Day! At lunch, there was even a "hood-scoop" parade!

Other dress-up days included Kiddie's Day, Sport's Day, and Maroon and White Day. Mrs. LaFevers *really got into the swing of things on Hat Day with her huge umbrella hat!*

At the last football game of the season, seniors crowded onto the track and, swaying back and forth, sang "Columbia High Forever." Their voices, not in tune, their eyes, not yet in tears, but their hearts overflowing with that invincible Columbia spirit . . .

Columbia High Forever.

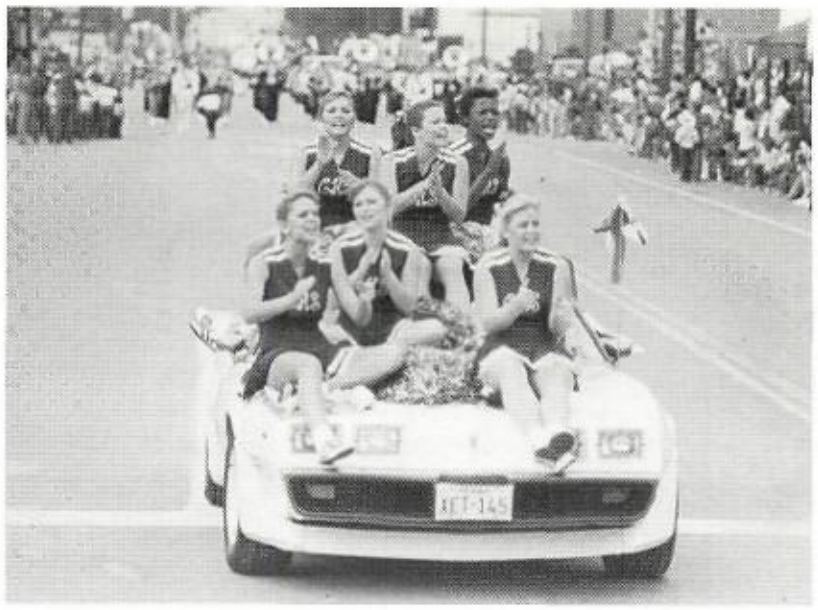
"CONGRATULATIONS TO ALL THE WINNERS"



Many Columbia High students participate in the Brazoria Fair parade as individuals and in groups. Some of the participating organizations were the band, cheerleaders, FTA, FFA, annual staff, and LIFT.

This year, seniors had to get down on their knees and beg for a float! When this did not work, they had to stand up and fight! Floats made from kits were unreasonably expensive, and sponsors felt the money could be better spent another way. So, together aided by Mrs. Perkins, Mrs. Fowler, Mrs. Ondras, *and* Mrs. *Slacalek, the senior class made their own float. As a result, they not only saved a great deal of money but their float also won Honorable Mention!*

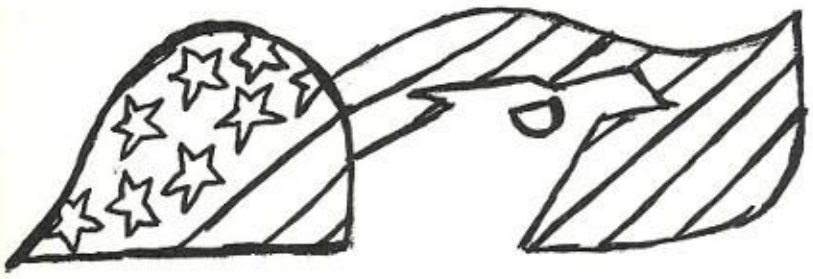
As Columbia's Fair Queen representative, Dinnie Davidson *rode atop the senior float with her escort* Lyndon Ward.

In spite of everyone's lovely plans for the Fair parade, the sun refused to shine, and the rain poured!! Nonetheless, we marched, rode, twirled, galloped, and cheered our way through the parade!

The annual staff had planned to ride in a horse-drawn cart, but the poor pony was unable to pull the weight of the cart and stubbornly refused to go on. Luckily, Micheal Brooks *was prepared and his "horseless carriage" saved the day!*

Jay Wiggins *was the big winner in photography at the Fair competitions! He won Best of Class, first place, and three honorable mentions in the student color category.*

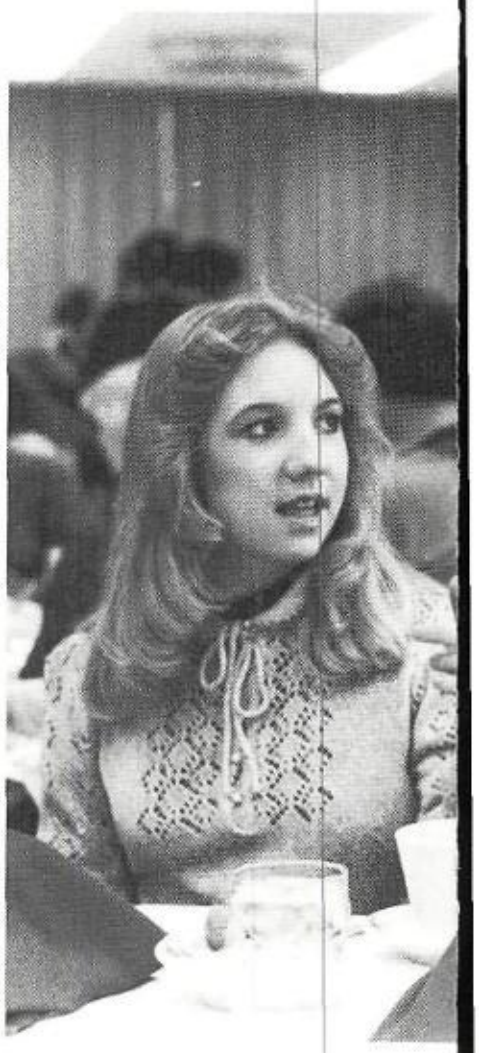
Other fair winners included Debra Collins *and* Rhonda Langley *taking first place in silk screen and sculpture, respectively.* Debra Strouhal *won second place in silk screen and* James Lewis *won third in silk screen.* Regina Polk *took third place in sculpture while* Jackie Jacobs *won third in ceramics. In the jewelry category,* Vincent Shorter *won first,* Kevin Knebel *won second, and* Johny Romero *took third.*



Close Up

Sponsor Cheryl Tosch with Bana Ashley

Our group visits with Congressman Ron Paul.

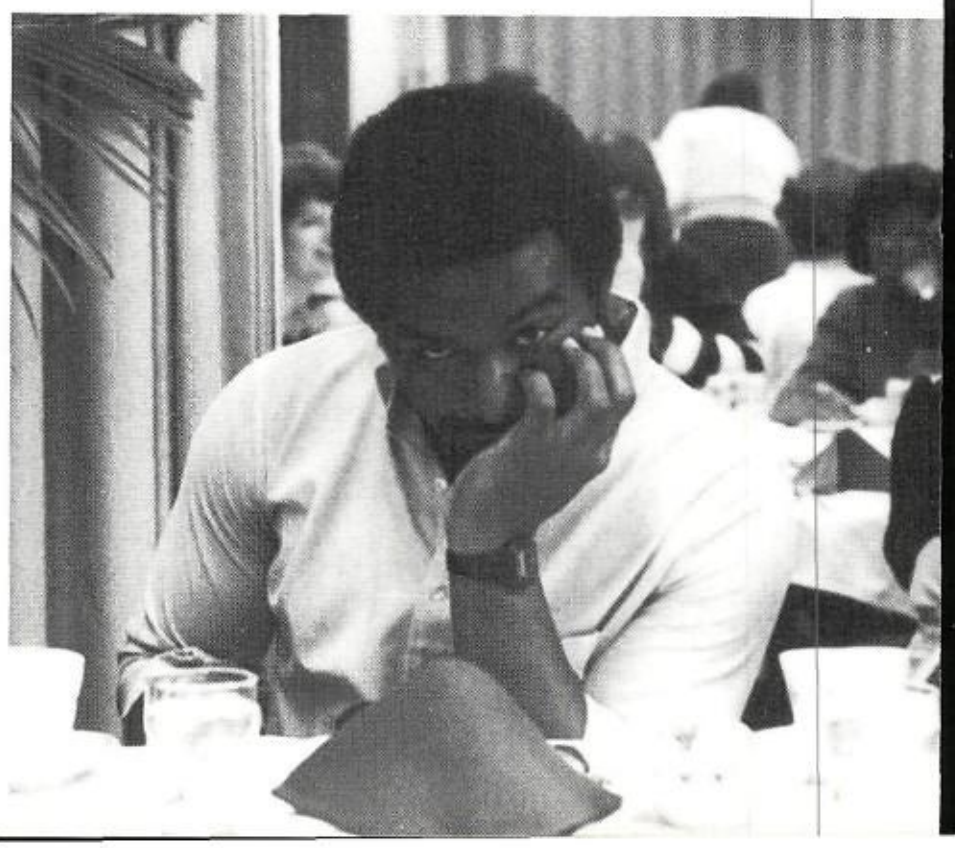


"Hey! He's waving at me!" One hundred and eighty students stood on the porch of their hotel as Vice President George Bush drove by and waved. Consequently each student thought he was the one being honored by the Vice President.

Bana Ashley, Prentice Danford, Jay Wiggins, Michael Brooks, Donna Harris, Nick Jenkins, Steven Lamberti, Patricia Havel, Patricia Christian, Ruth Meredith, Lauri Null, Anthony Grice, Mark Skinner, Connie Meuth, Jana Smith, Tylene Kessner, *and* Clem Richardson, *were the participants in this years Close Up program in Washington D.C.*

The group spent six days in our nation's capital. They went to seminars and workshops, toured capital hill and worked with congressmen and senators. They heard speeches and discussed current issues such as the problems in El Salvador and foreign relations with Russia.

"Although the food was bad," reported Prentice Danford, *"we still had fun."*



Prentice is so right about the food.

"Buy your lover a Gush-o-gram
And buy another for your friend
You can even send one to your enemy
Or to your teacher in geometry
We'll sing them Friday second period
So don't you wait one second more
Oh what fun we all shall have
Laughing at each other
Go out and buy your Gush-o-gram."

"Gush-o-grams" were part of the Valentine celebration at CHS. The celebration also included the traditional Carnation sale sponsored by FTA and a Valentine's Dance sponsored by the Student Council.

Second period, Friday, the 12th of February, was frequently interrupted by carnation deliveries and singing telegrams. FTA sold carnations for $2.00 this year, and they had a tremendous sale!!

The Gusher staff sponsored for the first time, singing telegrams appropriately called "Gush-o-grams." Each song was sold for $2.50 except for a grand finale which was sold for $5.00.

That night, Friday, February 12, the student council sponsored a Valentine's dance. The disc jockey was Ron Foster and attending students had a blast! King and Queen of the dance were Brady Cooper *and* Melinda Warren, *Prince and Princess were* Marcus Warren *and* Dena Boone. *Sophomore Duke and Dutchess were* Scott Jackson *and* Debra Strouhal *and Freshman Duke and Dutchess were* Tim Wells *and* Evette Pislak.

A MIDSUMMER NIGHT'S DREAM

Shakespeare's A Midsummer Night's Dream, as interpreted by the Columbia players, was the first presentation of this year's theatre Arts Department. Held November 22-24, this comedy was splendidly staged and featured brilliant performances from several key actors and actresses.

Keith Buchannan *and* Mona Fluitt *did a beautiful job playing the parts of the tender lovers, Lysander and Hermia. With such emotion* Gil Warrick *played the part of Egeus, Hermia's cruel and greedy father.* Tim Kelley *played the part of Demetrius, who is in love with Helena, the woeful young woman in love with Demetrius. Theseus, Duke of Athens, was played by* Mark Skinner; *and Hippolyta, Queen of the Amazons, was played by* Mara Winstead.

Tony Kahanek *was absolutely hilarious and stole the show with his performance as the handsome Nick Bottom.* Richard Sowarsky *did an excellent job portraying Peter Quince, the carpenter.* Jay Wiggins *played Snug, the joiner;* Shawn Mullins, *Francis Flute, a bellows mender; and* James Spurny, *Tom Snout, the tinker.* Blake Brown *was adorable as Robin Starveling, a tailor.*

Both Lance Miller *and* Kelly Lind *were wonderful as Oberon and Titania, King and Queen of the Fairies. Oberon's Henchmen were played by* Quinton Arnold *and* Mike Kahanek. *Puck was played by* Gary Hay. *Mist was played by* Debra Pilgrim. Peaseblossom, *Rikke Burke;* and Moth, *Kathy Beach, and Debbie DeWeese danced marvelously in her role as Mustardseed.*

Ladies of the Court were Karen Darlington *and* Sheri Dorsett. *Lords of the Court were* Sammy Coffman *and* Mark Layshock, *while* Jimmy Rose *played the part of Philostrate, master of the revels to Theseus.*

All the performers did a fine job, as did all those who worked on the set. Jana Smith *designed the forest set, equipped with a hugh, magnificent tree! The Production Staff worked above and beyond the call of duty, but their hard work definitely paid off in the end results!*

Costumes and makeup were absolutely spectacular! The Fairies costumes created an aura of fantasy that effectively fulfilled the audience's image of an Elizabethan fairy.

WINTER ONE ACTS

On January 25th and 26th, 1982, the Columbia Players performed the Winter One-Acts, four short plays. The plays were "The Three Spinning Fairies," "The Color Conscience," "The Diary of Adam and Eve," and "The Twelve-Pound Look."

"The Three Spinning Fairies" starred Gil Warrick *as the lovesick Prince Mont Morency and* Rikki Burke *as the charming Belinda.* Becky Rhubottom *"Lippy,"* Tylene Kessner *"Thumbsey," and* Winona Redden *"Footsey" were not exactly the Mormon Tabernacle Choir, but their singing provided a nice effect. This comedy was tremendously funny and all of the acting was super!*

"The Color Conscious Conscience" was about an angel who comes to Earth to become a conscience for an earth boy. Debi DeWeese *played the Angelette and the Earth boy was played by* Tom Miller. James Spurny *was the bookkeeper and* Richard Suwarsky *played the Devilette.*

Keith Buchannan *and* Karen Darlington *were fantastic in "The Diary of Adam & Eve." The play was a little chauvinistic but nevertheless, very funny!* Mark Layshock *looked sly and underhanded in his black clothes — the perfect devilish snake.*

"The Twelve-Pound Look" starred Lance Miller *as Sir Harry Sims,* Debbie Pilgrim *as Lady Sims,* Delena Peterson *as Kate, and* Quinton Arnold *as Tombes. The costumes and props were great! The actors and actresses looked extremely proper in their outfits.*

All the actors and actresses performed magnificently and the crew did very well at their jobs.

The Night Thoreau Spent in Jail was probably the greatest production Columbia's Theatre Arts department has ever put on!!! The acting was totally superb! Because of many, many hours of hard work, the play sparkled at zone competition and won the opportunity to advance to district.

The play was about the famous Transcendentalist, Henry David Thoreau, and the night he spent in jail because of his failure to pay $1.50 in taxes. Thoreau was played by Lance Miller, *while Waldo Emerson was played by* Gil Warrick, *who was the antagonist.* Delena Petersen *played Ludian Emerson, his wife. Mother Thoreau was played by* Mara Winstead *and* Tony Kahanek *played John Thoreau, Henry's brother. Bailey, Thoreau's jailmate, was portrayed by* Brady Cooper. *The source of much controversy in Thoreau's thoughts was Deacon Ball, played by* Mark Layshock; *Ellen Sewell was played by* Mona Fluitt; *and Sam Staples, the sheriff, was played by* Keith Buchannan. Marvin Blackmon *played Edward Emerson, Waldo's son. Williams was played by* Kevin Helm. *The townspeople were played by* Gary Hay, Mike Kahanek, Kathy Beach, *and* Karen Darlington.

Because of the excellence of all the acting, the play was astoundingly professional! The cast truly put their hearts into this beautiful play and performed tremendously!

Lance Miller *achieved the honor of Best Actor because of his emotional performance as Thoreau.* Keith Buchannan *and* Mara Winstead *were named to All-Star Cast and* Mona Fluitt *won Honorable Mention. At District competition* Lance Miller *was chosen for All-Star Cast.* Keith Buchannan *and* Gil Warrick *received Honorable Mention.*

Congratulations to a magnificent cast and crew!! The play was an immense success and Columbia High School is extremely proud of you!

The year 1982 marked the return of the ever-popular Kaleidoscope! This year's performance was one of the best ever and even though it ran only one night, was astoundingly successful! The band did a marvelous job of balancing musical and dramatical skits. The highlight of the show was a concert by the jazz ensemble. The group delighted the audience with three tunes: "Midnight Journeyman," "Somethin for Snoops," and "Chase the Clouds Away."

One of the most popular dramatic skits was a hilarious soap opera called "As the Stomach Turns." Tony Kahanek *and* Shawn Mullins *were exceedingly jocund as they played two on-again, off-again lovers!*

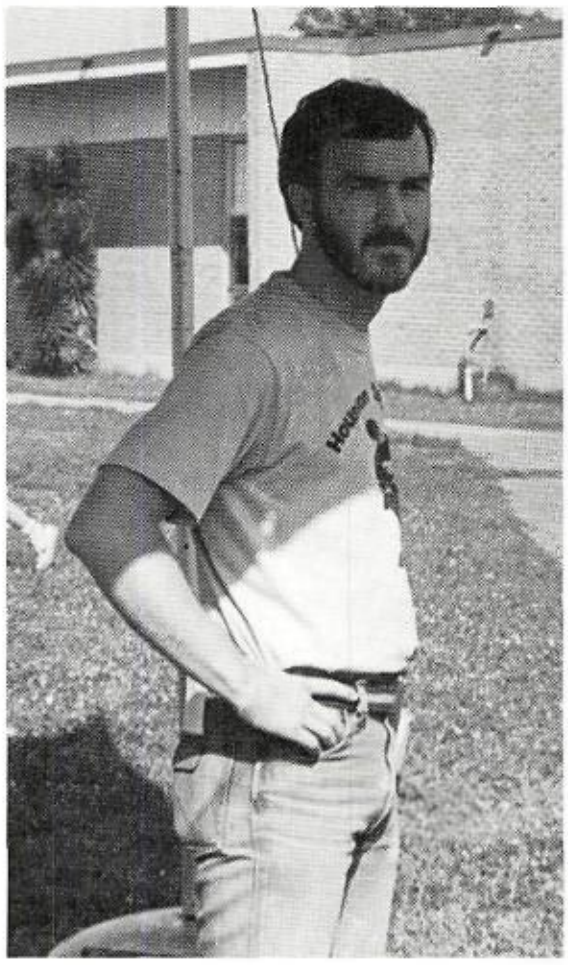
Mr. Powell played the Spring Fling gorilla.



Don't take my picture!

This was the fourteenth year in which the Columbia Band held its annual fund-raiser, the Spring Fling. A collage of activities, it is one of the most popular affairs of the school year.

The day's festivities included games at various booths, a barbeque and auction, and a dance. In addition, the mechanical bull from Gilley's was at the Spring Fling. Catering to the children, Mr. Powell dressed up as a gorilla and for a small fee, the children could have their picture taken with him.

Springtime in Paris

Dreams

Here is a beginning, the Spring
A brand new start, an unknown place, Paris.
A night of dreams for a life time
Of dreams come-true.
We come together in honor and celebration
of achievement, of deliverance.
Beneath an Eiffel Tower of dreams
romancing in the Springtime of Paris.
Through the years we have grown
to love and respect one another.
Sharing moments of sorrow, triumph,
laughing together, crying on friendly
shoulders.
We reach out, touching each other
In friendly humor and loving insight.
Here we are, lost in our dreams,
dancing our night away.
When tomorrow dawns,
Tonight will only be a memory,
Etched quietly in our minds, a dream
of Springtime in Paris to live forever.

"Springtime in Paris" was a beautiful theme for the 1982 Junior-Senior prom held at the Bay City Holiday Inn, April 24, 1982. The invocation was given by Vallori Blackmon *and* Linda Barnett *gave the welcome.* Bana Ashley *and* Becky Rhubottom *presented the Senior Wills with hilarity that only those two could design. The senior class Prophecies, presented by* Dena Boone *and* Jana Collier, *kept the crowd entertained. Mrs. Christian proudly announced the senior class favorites.*

The meal was delicious and the dance following the program was excitingly enjoyable! The evening was a great success due to the hard work by the junior class and their sponsors.

We Pray For . . .

Almighty God, illumine our hearts by the light of thy Grace. Bless all who teach and all who learn; grant that in humility of heart, they may ever look to Thee, who are the foundation of all wisdom. We ask that you bless the homes from which we have come. May the hearts of those who love us rejoice that we have attained the honors of this graduation. Grant that in Thy light we may see light and that we may see what we can do to make this world a better place. For all things we give thanks unto Thee. AMEN

Where Do We Go Now?

Good evening, parents and friends.

Tonight is probably the last time this special group of people will be together as one group.

As we sit here, most are probably thinking of what will happen later, the parties and presents.

However, the most important gift each will ever receive has already been given. One new life to shape as we like.

An entire life and the whole world — for many of us the question is, "where do I go now?" and for others who think they have found that answer the question is, "have I really found the best way?"

What each person must have to live up to his potential is well considered goals.

To set goals and achieve them is the one sure road to success. A person starting out in life without goals is rather like a sculptor chipping at a block of stone with no idea for the finished product or a race car driver who does not know where the finish line is.

Each individual alone must set his goals and only he can achieve them. Teachers, family and friends can only help. Teachers have given us the education which makes us able to realize our ambitions. Family and friends give us priceless advice and encouragement.

To become contributing citizens our primary goal must be that of service to our fellow man. We must aim high and work hard never forgetting those less fortunate than we.

Whether we become engineers, doctors, teachers or anything else we can only hope that through these careers we may promote the general good. As we assume the responsibilities of the world let it be better because of our contributions.

In correlation with our goal of service is another goal that is shared by everyone, that of peace.

Tonight's graduates are now stepping into a violent world at war. We know we cannot change the whole world, but each can do his part among his family, friends and community.

We can assume the responsibility of helping our government reach just and peaceful decisions.

We can support our church by sharing our blessings and our time. And we can help our communities by aggressively seeking harmony.

Tonight we have such an example of concern for fellow men. The beautiful roses that each senior will receive is a symbol of the humanitarianism we have been talking about.

We are aware that as we go out into the world we should constantly keep our primary goal of service in mind.

We may never be able to say that the work is done, our goal is achieved. So long as we live that strife will continue, but we feel obligated to endure even though we often will fail.

As we say farewell to Columbia High School, we, the class of 1982, hope that our first goal and primary aim will always be to love one another.

Mara Winstead

Watch Us . . .

Good evening ladies and gentlemen:

This, the class of 1982, would like to welcome you to the greatest day of our lives. It took us twelve years to reach this dream, this goal — graduation. We are finally graduating but only with the help of many people along the way. None of us were able to do this alone, and it was you, who cared enough to come tonight, who wiped our tears, ended our frustrations, and guided us in this direction.

This community has played a major role in helping us through school. The support you have given this class is invaluable. You've supported us in our numerous activities, accomplishments, and even our failures. We want you to know that we are aware that you have been standing behind us during these twelve years of school.

The teachers and administrators we have had have done a remarkable job. The things they have put up with and endured are numerous. Through the fights, bad grades, and other problems, they managed to keep us going and learning. They have served as both teachers and friends. We can only hope that tonight we have repaid them and that they are proud of the products of their labor — their labor of love.

Finally, we should thank our parents, but perhaps we should have thanked them first. Their job has probably been the hardest of all. They have been there through the good and the bad. The grades they have seen have been both high and low. The problems they have heard and seen were numerous. Long nights are not new to them as they waited up for us to come home from school activities. They have come and supported us at many school functions. The most important thing they have done for us is to love us and let us know they are behind us whatever we decide to do with our lives. Without this love, we certainly could not be here tonight. No child can stand alone.

Now we ask you to watch us; watch us expand the knowledge our teachers have shared with us. Watch us practice the self-discipline you have tried to teach. Watch us go into the world and rear our own children giving them the same support and love our families have given us. We also want you to watch us as we develop into caring human beings. Watch us because we think that we will repay all of you for your gifts of education and love by making you proud that you had such an important role in our lives. Our greatest hope is that in the future you will remember us with the love and affection that we are all feeling for you on this very special night.

We could not have made it without you, but now we are eager to seek out our individual dreams. We're ready for the world; you helped us reach this milestone. We hope you will watch us. We hope and plan to make you proud as we, the class of 1982, go our separate ways.

Give us insight . . .

Lord, our God, we come before thee with hearts filled with gratitude for the many blessings which have been ours. As we enter a new realm of life, it is with pride that we turn to thee for guidance. Give us insight that we may understand perplexities.
Give us faith that we may dispel fear.
Give us wisdom that we may love our neighbors as ourselves.
Give us will and strength that we may carry our hopes and dreams with us into the future.
In Christ's name we pray. —Amen

DAR

Chosen to receive the DAR good citizenship award for CHS high school this year was Neva Hagemeier, *daughter of John and Carolyn Hagemeier.*

From among the three seniors selected as nominees by their fellow classmates, Neva was chosen by the faculty to compete with area high school DAR representatives for the Brazoria County Good Citizen award.

Neva *has participated in many organizations. She has been an officer in band, annual staff, student council, and thespians. She was noted Best All Around Sophomore in band and Band Sweetheart. She was also the Annual layout design winner at yearbook camp.*

Boys' and Girls' State

When asked about her experiences at Girls' State, Donna Harris *smiled and with excitement in her voice said, "It was indescribable!"*

Similar sentiments were expressed by all of the students who went to Boys' and Girls' State. The students were Neva Hagemeier, Beverly Wishert, Donna Harris, Mark Skinner, John Craig, *and* Kevin Cadenhead. *The students learned about our government on city, county, district, and State levels. Students ran for offices at various levels and were divided into Senate and House of Representatives, as well as Federal and National parties.*

Neva did an excellent job of summing up Girls' and Boys' State with her words: "We were brought to recognize the fact that our country deserves all of our respect. It is our job as future leaders to uphold our country and the respect which it has."

Rotary

The Rotary Club is a group of men who meet each week for fellowship and to discuss ways of improving the society. Their organization offers an opportunity for students to take part in their meetings. The students learn how the community works together and how they can improve their society.

The teachers nominate students and 37 students are selected. Students chosen this year were Brady Cooper, Mark Skinner, Beverly Wishert, Neva Hagemeier, Chris Spencer, Gil Warrick, Kevin Cadenhead, Shanna Mack, Mara Winstead, Dyueke Jockusch, Lisa Hermes, Tammie Wasek, Jana Smith, Stacey Kaufman, Molly Rhodenbaugh, Judy Willoughby, Kaylynn Burns, Kelly Lind, Tommy Schuelke, Mona Fluitt, Kevin Helm, Judy Lowe, Jackie Moy, Michael Cammack, Liz Dannhaus, Allen Scott, Angie Danford, Becky Rhubottom, Melinda Warren, Delena Shaw, Bana Ashley, Robin Birdsong, Linda Cole, Donna Harris, Tylene Kessner, Clem Richardson, *and* Quent Walters.

What is a Vice-Principal?

Contrary to popular belief, a vice-principal is not just a hall-walker! No sir! The job of vice-principal entails many jobs which we would never even think of!

A vice-principal is a textbook custodian, a disciplinarian, and a free lunch program director. In addition, he is in charge of attendance appeals, lockers and locks, student and faculty parking, student insurance, and the substitute teachers or . . . "a mess," as Mr. Hawthorne said laughing.

Being a vice-principal is a very challenging job because of the variety of students and situations one must deal with. However, after ten years of teaching, Mr. Hawthorne says of his first year as a vice-principal, "I really enjoy it!"

How do you separate good days from bad? According to Mr. Hawthorne, all of the days are good ones. "It's all in your approach. They are all challenging. We learn things each day, even from our problems."

So, you see, Mr. Hawthorne and Mrs. Christian are very busy individuals! We at Columbia High are proud to have such active and efficient vice-principals!

Just a back up man? Secondary? Pshaw! We know better!!

Suzy Student Gets a Schedule Change:

"Mrs. Moutray?"

"Yes?"

"I need to see Mrs. Toups about a schedule change. Is she in?"

"Ye-e-e-s, she is, but she is busy right now. You'll have to sit here and wait. You can read those ROTC magazines while you're waiting."

So Suzy takes a seat and flips through one of the army propaganda magazines, which Sgt. X provides bountifully.

At long last, Mrs. Toups comes out of her office hideaway.

"Well, hello, Suzy! Interested in joining the army? They have some good scholarships, you know!"

A little perplexed, Suzy shakes her head. "Uh, no, I don't think so."
"Mrs. Toups, I need to get my schedule changed. I have Annual Staff, Band and Honors English the same period."

"Naturally!" Mrs. Toups throws up her hands, sighs, and mutters something under her breath, "Come with me, Miss Student, and we'll see what we can do!"

Once inside Mrs. Toups' cozy office, Suzy admires the photographs on the counselor's wall. "So," she thinks, "counselors do other things besides counsel."

"Suzy, you have a problem!"

"Yes, ma'am. I know . . . Is there a solution?"

"Well-ll-ll . . . yes and no."

So for ten minutes, the two put on their thinking caps and struggled for a solution.

And then "viola", it is finished!

"Well, Suzy, I think that fixes it. Come back and see me later!"

As Suzy left the office, she paused for a moment to wonder, "Should I go to F-110, B-6, E-12, or . . . join the army?" Glancing sharply around the room, she quickly slips an army info. packet into her folder. "See you later, Mrs. Toups!"

For Sale: Chariot with horse, Good condition. 5 denarious.

After reading The Illiad and The Oddessy, the senior honors English classes were to make a project pertaining to the stories. One of the projects was a Greek newspaper for which students wrote articles and other items found in newspapers. Among the items were comics, articles on fashion, current event articles, and even a horoscope! In addition, the students also wrote a "Dear Abby" column with questions about problems of their day.

The junior honors English class read The Scarlet Letter and then made a project about the story itself or about the time of The Scarlet Letter. Some of the many projects were a ballad about Hester Prynne, dolls with the early American dress, Scarlet Letter games, and buildings from the story.

The New library is a far cry from the cramped and inadequate library of the past! Over the past fifteen years, the library has acquired the works of many contemporary authors, as well as increasing the types of information available. The new library is twice as large as the old, fully carpeted, and has much more room. The entire atmosphere has changed. The decor is cheerful and the many plants make the library seem very friendly and pleasant.

A large part of this friendliness stems from our librarian, Ms. Brewer. Ms. Brewer *has been a librarian here at CHS for fifteen years. Always willing to help, she is an important asset to Columbia's library and we are proud to have her as ours!*

The high school newspaper, The Roughneck Review, got a brand new name and a brand new format! The staff decided that the "Reveille" was out-of-date and so they gave the newspaper a new name and they hoped it would give people a new attitude about the paper.

One of the most exciting new aspects of the newspaper is the interesting and refreshing editorials. They expressed the opinion of the school and added a great deal to the paper.

Freshmen were offered, for the first time, an opportunity to take an accelerated Geometry class. Since the class is very competitive and has a tremendous spirit, the experiment has been quite a success! These freshman geometry students, as well as the sophomore geometry students, made a study of magic squares. This is an array of the counting numbers arranged so that each row, column, and diagonal has the same sum. The students formed 3"x3", 4"x4", 5"x5", and even 15"x15" squares. It was quite an involved study which the students really enjoyed.

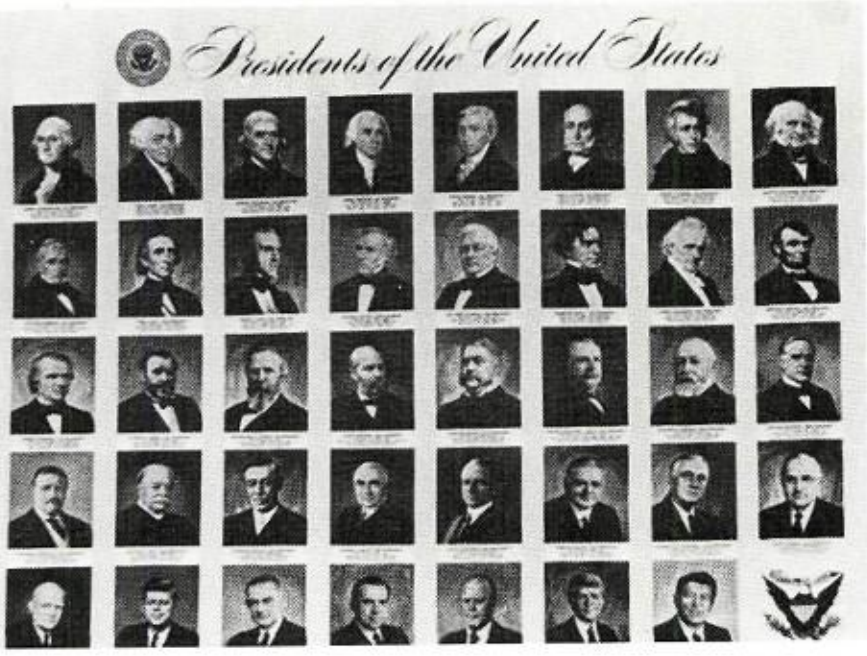
Social Studies



Government is a graduation requirement for all seniors. Most students go into the class thinking it will be a bore. However, with personality-packed Mrs. Tosch *as the teacher government turns into an exciting and interesting class.*

The students studied the history of our American government from its origin to the present. They learn about the constitution, the Bill of Rights, and about the Equal Rights Amendment. They also study the different branches of government on both state and federal levels. In addition, the class held a mock election and President Reagan won! To put learned skills into practice, Mrs. Tosch *arranged for students over eighteen to sign their voter registration cards during a class.*

The subject matter may be heavy, but Mrs. Tosch's *style is Southern Light. When you enter the domain of our lovely Mississippi transplant, she will announce the "thurd owar" then proceed to tell you that you are "tuckeys," but she's "a ruff tuff cream puff!" How can you resist government with style like that.*

FINE ARTS

The stage band started something new this year to really pep up the basketball games! For the enjoyment of the spectators and the players, the group played at several of the games. In addition to rock, disco, and jazz tunes featuring drum, tenor and alto sax, trombone, trumpet, and guitar solos, the jazz ensemble played revved up renditions of the Fight Song which Mr. Tull arranged.

The art grave (pit) was a new experiment which the art class used this year to experiment with a primitive form of clay firing. They used sawdust, manure, and logs to heat the pit. It took six hours to burn. The result was black pottery, primitive, but useful if you should ever have to cope with life on a deserted island.

The Drama Department hosted the UIL zone contest plays here at CHS. During Spring Break the stage craft class built platforms and the unit set which is the only scenery allowed by UIL.

Child Care

The child care program at CHS is designed to offer the basic knowledge and skill needed to work with children, whether in a family type situation or as a means of employment. The students in child care had the opportunity to work with children at Henry O. Tanner and Wild Peach Elementary schools.

Working with the children at H.O.T., Karen Darlington *assisted on a field trip to Brazoria to look at farm animals at the Danford's, and* Ethel Epps *helped Mrs. Sheperd in preparing for Circus Day by making circus attire for the children.*

David Walker *assisted the special education classes at Wild Peach Elementary. He helped individual students as well as helping with activities.* David *also helped with Special Olympics practice.*

Homemaking

Homemaking is a class which teaches students how to cook, clean house, sew, and in general rear a family. These learning activities are combined with helping other classes.

In the area of family life, two students were "married" in each class. Then each "couple" experienced a family life crisis: bankruptcy, death or divorce. The couple and the other students learned through this role playing how to deal with tragedies.

As an example of the responsibility of parenting, each student was given an egg to symbolize a child. The "parent" then had to take these egg babies with them and cuddle, and care for their fragile children.

Fancy and foreign breads were included in the Homemaking II "bakery." Funnel cakes, creole doughnuts, and German pancakes were part of the fare.

Mothers were given angel food cakes for Mothers' Day, and the cookies for Senior Awards Night were creations of the homemaking classes.

Industrial Arts

Industrial Arts is a program meant to expose students to the wide range of materials, tools, processes, products, and occupations that are typical of an industrial and technological society. Columbia's I.A. also assists students in developing hobbies and skills in the use of tools and industrial materials.

Five Columbia students participated in the regional competition held at Alvin Community College, and all the projects qualified for state competition in Waco, Texas. Participating students were Connie Meuth *who placed second and Grand Award in regional competition with her corner display cabinet;* Stephen Burnett *who won first and Grand in regional with his house plans;* Harry Bernshausen *who, with his structural house model, placed first and Grand at region and won third in state competition;* Paul Reynolds, *placed first and Grand at region, and* David Weber *placed second and Grand at region and second place at state with his drafting table.*

The Columbia Ag classes study a very broad curriculum. Ag offers every interested student something in his applied field of study. Some of the programs include animal science, plant science, soil science, wood shop, and metal work. In addition, horticulture is taught in the classroom. Students also learn the process of livestock judging.

Vocational Distributive Education is designed to provide training, knowledge and skills needed by high school students for entry into employment in retailing, wholesaling and service occupations.

The program involves a cooperative business relationship between employers of the community and the public school.

Activities during the school year were field trips, area and state contest and a banquet at the end of school.

Office Duplication

The purpose of the office duplication class is to teach students how to operate machines used in offices. They also learn about office safety, personal development, and preparation for a job interview.

One of the toughest projects the class worked on was mastering an offset press for contest. A minimum of three colors had to be used for the work activity. The machine used was new to the teacher as well as the students, so it took a lot of trial and error to produce an acceptable finished product.

Linda Hernandez *received the senior award. Others who did an outstanding job were* Hope Russell, Monica Cameron, Kay Crouch, *and* Brenda Dodds.

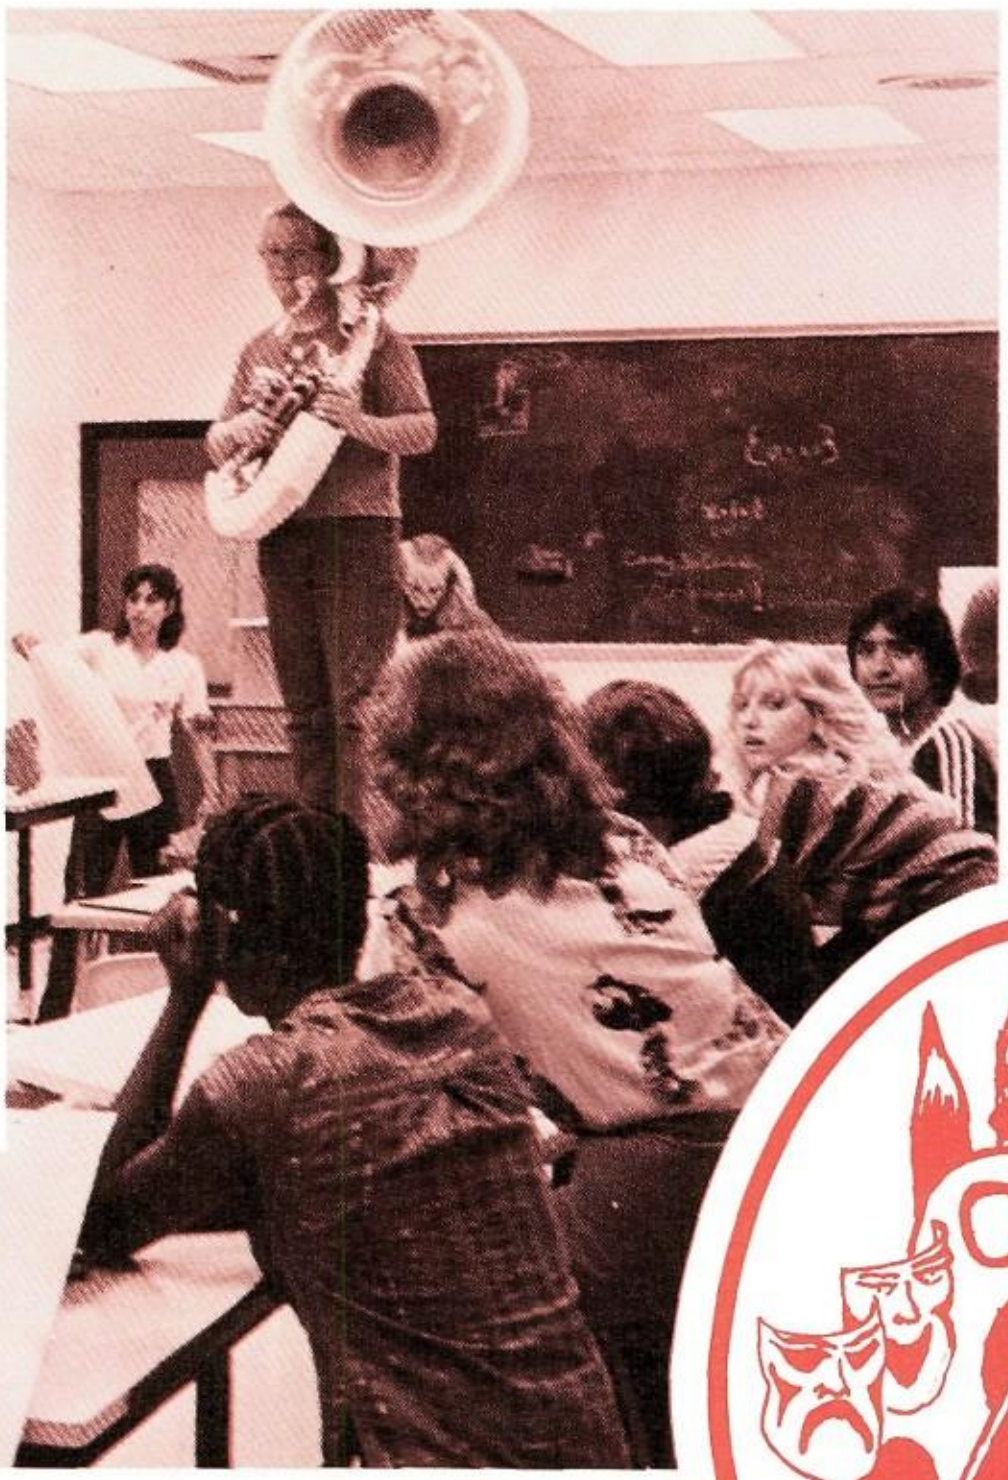
Interesting Faces



The Gusher Staff

"Look here, Jay Wiggins, or Jr. Fox, or whatever your name is, you get those football game reports turned in right now!!!"

Where are these melodious, happy words coming from? Why from the Annual Staff room, of course!

The Annual Staff room, our home for a school year, where we are joined together, despite personality conflicts and differences of opinion, into one big happy family. Our cause? To produce a storybook. A book saturated in familiar laughter, lingering tears and everlasting memories.

We have tried to seek out the obscure experiences and humble moments and to bring from the shadows of your mind the memorabilia of this school year '81-82.

Immortalizing this memorabilia can be hazardous! It is not easy to find tranquility and stability in the pandemonium of lost negatives, misplaced cameras, forgotten deadlines, and belligerent staff members! Nevertheless, with the threat of demerits over our heads, we set out, cameras in hand and a sensitive insight in mind, to be speculative and aware of all happenings.

Nor, was it easy, with so many varied personalities in CHS to create a balanced picture of the year. Yet we attempted to capture the beauty of enduring friendship, to preserve the sparkle of first love, and to penetrate the amazing diversity.

We must be your judge. We must insert our own interpretation of the year, so that it will persevere through all of our lives, or as long as you care to remember the laughter, the tears, and the passion of the school year 1981-82.

And so it is that we reveal to you the luster, the magic, and opulence of the times we shared together. Experiences never to be relived, but to always be remembered and cherished. Here, with our love, is your souvenir of 1981-82.

Forever,
The Gusher Staff

STUDENT COUNCIL

This year's Student Council was extremely active and accomplished many far reaching goals. With Melinda Warren *as President,* Angie Danford *as Vice-President* Beverly Wishert *as Treasurer,* Neva Hagemeier *as Secretary, and* Harland Norris *as Parliamentarian, plus* Mrs. Ogilvie *and* Mrs. Oxsheer *as Sponsors, the entire group offered themselves for school service.*

Student Council went to two conventions, one in spring for area election, and another in fall.

The Student Council's wide variety of activities ranged from organizing Homecoming Activities to showing the teachers that they are appreciated. A school store opened to sell supplies to students and a blood drive was held by the Student Council. In addition, they also held a post-football game dance to promote spirit.

The Student Council stayed very busy all year round helping the school to progress.

There were a lot of laughs from spectators and a lot of complaints from pledges as NHS held their annual initiation! Some students wore such crazy costumes as an Indian, a punk rocker, and a baby (she wants to be a senior when she grows!) The "in" thing for male initiates was to dress as a female! Jeffrey Harang definitely was the sexiest male-female around! All in all it was a lot of fun for everyone!

AMERICAN FIELD SERVICE

Whoever heard of Valentine's Day? Since when do people dress up as ghosts and witches on Halloween? What is the purpose of a birthday cake? Although these may seem to be silly questions to you they become logical when you learn that they are being asked by a German student who is in the U.S. for the first time.

Dyvi Jockush, *our Columbia A.F.S. student, stayed with* Jana Smith, *her American "sister," and together they shared with all of the Columbia students some happy and often hilarious experiences.*

Sweet Mrs. Schaefer *was the leader of the A.F.S. and with the help of officers President* Jackie Moy, *Vice-President* Jana Smith, *Historian* Mara Winstead, *Secretary* Becky Rhubottom, *and Treasurer* Molly Rhodenbaugh, *many parties and outings were planned to show* Dyvi *our American way of life.*

Parties for the most part were new to Dyvi. *In the black of the night, we Americans attempted to show* Dyvi *some of our ghosts and goblins when we took her ghost-hunting on Halloween! The annual luau was another surprising experience for our German guest. The biggest surprise of all was* Mrs. Schaefer's *having a slumber party at her house!*

Dyvi *celebrated her birthday and Valentine's Day the American way, with lots of fun.*

Even though we had to say goodbye to our German friend, we knew we'd never say goodbye to the wonderful, happy memories of this marvelous year together. We will always love and remember Dyvi Jockush.

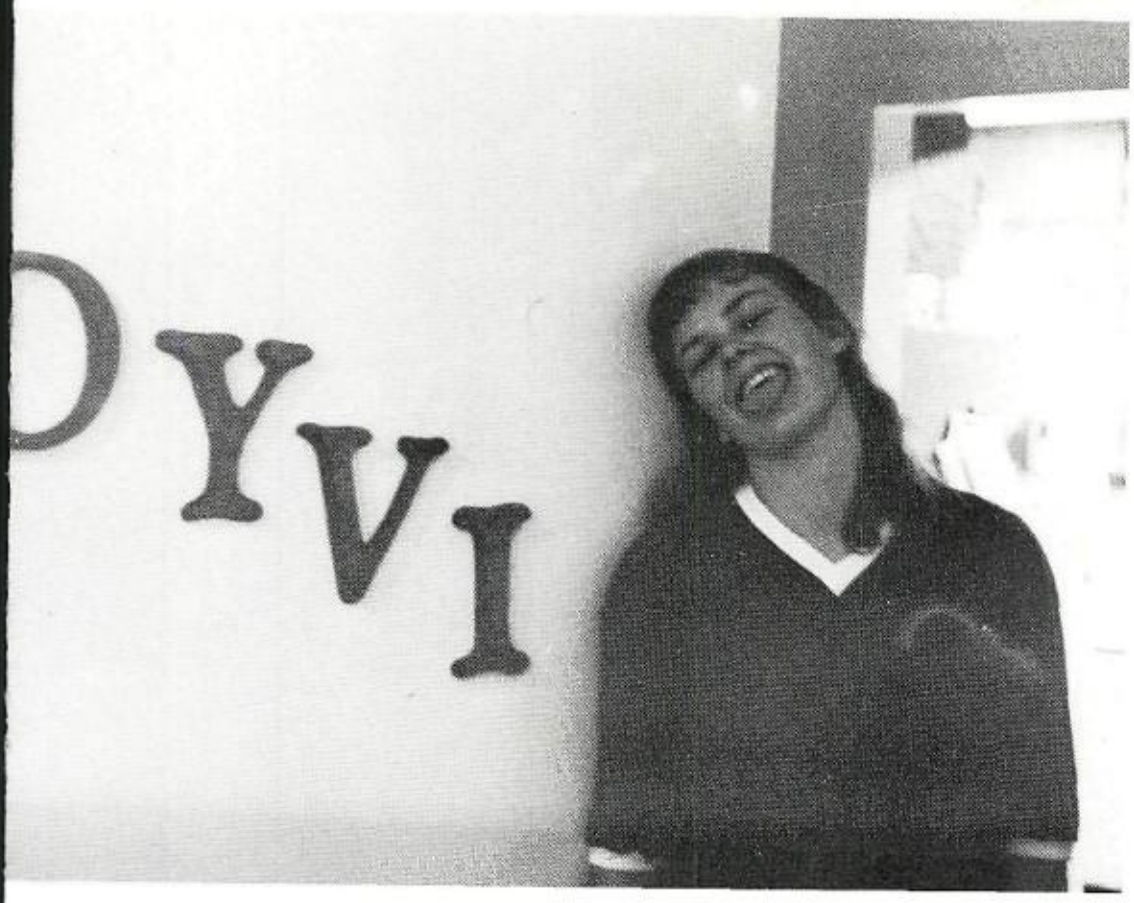
"Dyvi and her American sister Jana Smith"



With a name like Dyveke Claudia Elli Karoline Justina Jockusch *(whew!), how can you go wrong?! Well, we certainly didn't go wrong with Dyvi (that's what we called her) our '81-'82 AFS Exchange Student!*

Dyvi, *a beautiful, healthy-looking, fifteen-year-old, came to us from Saltau, West Germany. Her American family while attending Columbia, was the Ed Smith family.*

Dyvi was very active in our school as well as at her American home. At school she played bassoon with the band and sang in the choir. While here, Dyvi *learned how to play pool, how to fish, and how to water ski.*

Dyvi Jockusch *was a very special young lady. Always smiling, always friendly, she warmed our hearts and filled us with happiness.* Dyvi *touched all of our lives with her strength of soul and gentleness of spirit. Although she did not speak English well, she was loving and understanding; she did her communicating with her heart. We will always remember our lovely and charming German friend,* Dyvi.

F.T.A.

The purpose of FTA, a career education club, is to interest young men and women in teaching school. The club sponsor is Mrs. Tosch.

The organization's biggest fund-raiser is the annual carnation sale held every February at Valentine's Day. It was a very successful year for their sale.

The group was very active in helping out other organizations. The public library hosted a paper-back book drive and FTA worked with them. FTA also helped with Toys for Tots and in the spring, they helped with the Special Olympics.

During the year, members worked in teaching positions in the elementary school. Work with little ones was fun and greatly simplified with an occasional "sweet treat" bribe.

The officers of FTA are President, Bana Ashley; *Vice-President,* Tylene Kessner; *Secretary-Treasurer,* Patricia Havel; *and Historian,* Jimmy Rose.

C.H.S. PAINT COMPANY

There are no gimmicks, no hassles, no officers, and no set time to meet! However, there is one thing that the Art Club has to do and that is work!!!

Among other things, the Art Club prints posters, and T-shirts, and makes Christmas cards. They also make items for other organizations. Some examples of the Art Club's work done for other organizations are the posters for the Annual sales, the NHS T-shirts, and the Rodeo club jackets.

In addition, the club made T-shirts for the casts of both A Midsummer's Night Dream and The Night Thoreau Spent in Jail. An example of work in the community, the Art Club printed the T-shirts for the girls' softball teams.

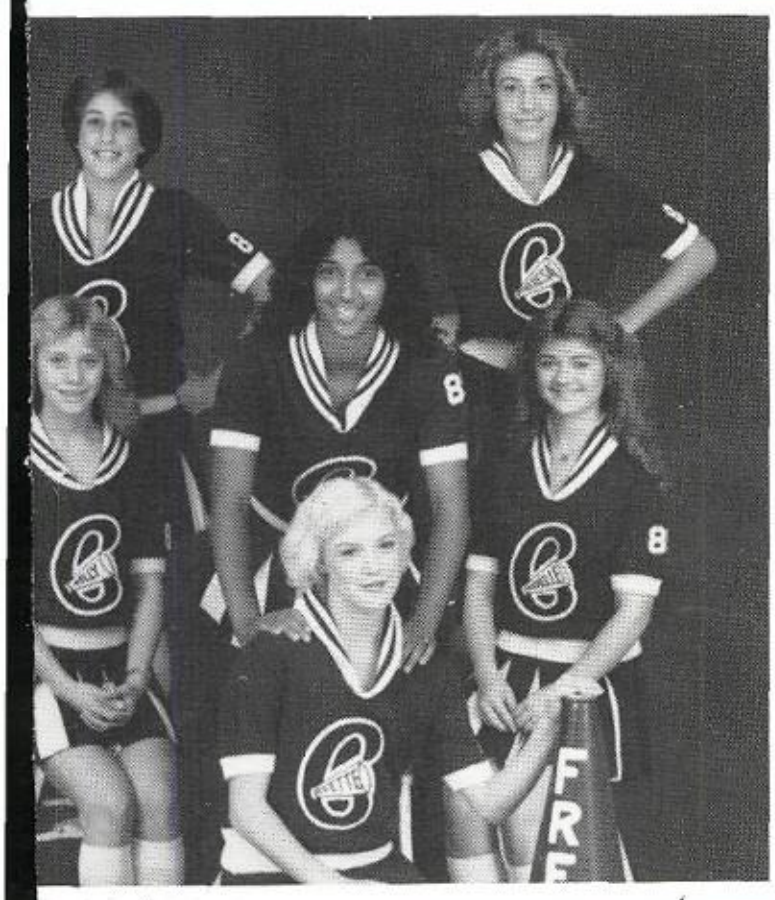
Freshman



This year the Columbia High Cheerleaders attended camp at Sam Houston University. The girls worked extremely hard to develop their spirit and to perfect their skills. Upon their return home to C.H.S., the girls had with them blue ribbons and a spirit stick to show for their tremendous efforts.

When cheering at football games, the girls were always spirited and always supported the team. The girls' duties did not end after football season. The cheerleaders continued their activities throughout the school year. They cheered at home basketball games, organized the football and all-sports banquet, and conducted try-outs for the next season's cheerleaders. These "spirit leaders" were always busy with endless responsibilities and sometimes found little time for themselves. In spite of the endless demands, cheerleading is a very rewarding experience. The sponsor, Mrs. Ruthanne Wrenn inspired the girls 100%. To this lovely sponsor, the girls and the activities were always foremost. The cheerleaders and Mrs. Wrenn are great — we appreciate all of them.

Spirit

Spirit is so much more than a "Go Necks!" at a football game. Spirit is a deeply felt emotion combining enthusiasm, competition, and desire. It is a learning experience in unity and camaraderie which enables people to share with one another in a common cause.

Competition is the effort to do one's very best. It teaches one to respect his school and it builds pride in the organization. Putting out the maximum effort is important; even when the scoreboard leans in the favor of the opposing team, satisfaction still comes from doing ones best. Athletes don't really have time to get down during the game. Keeping ones self mentally and physically up through the entire game is what makes a winning spirit.

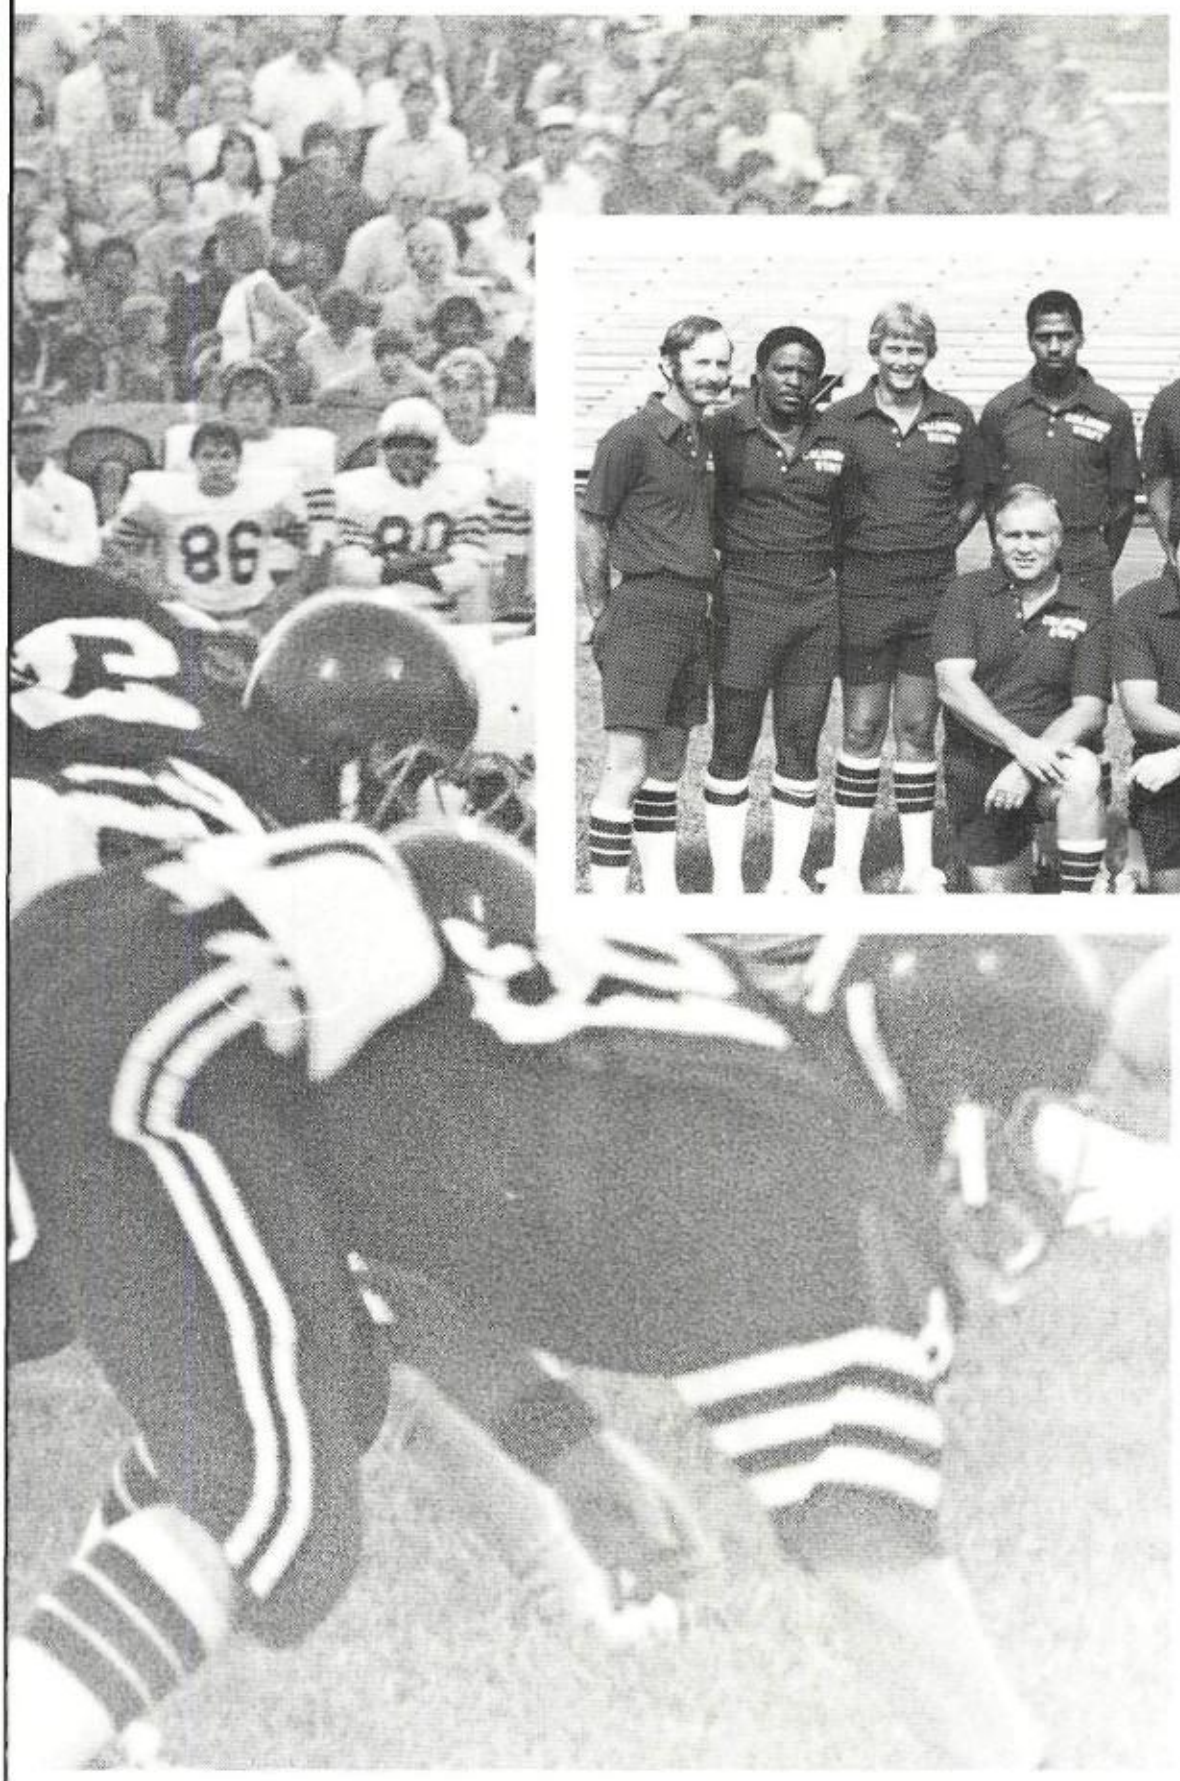
Football Season '81-'82

When the football season came to a close, Columbia's record was 2-8. That might look bad; however, behind the record were games such as the one against Angleton, when the Necks came from behind to almost win the game. And remember Katy-Taylor? We led three quarters, only to be beaten by two fourth quarter touchdowns. And what about the Wharton game when we held them to no points in the second half!

No our lack of wins was not due to a lack of effort. William Bryant *scored seven touchdowns and won All-District Running Back and All-District County.* Brady Cooper *was All-District Center and* Phillip Smith *was All-District Defensive Back.* Clayton Fields *won All-District County.*

In the last pep rally of the year, before our big game with Willowridge, Andy Dubose *filled the gym with Columbia pride with his words, "We may not have won those games, but, if you'll remember, we were in every one of them! And you'd better believe we'll be in that game tonight!"*

With spirit and fire, our Roughnecks played hard this season. At the end of a losing season, we must come back to the old saying, "It is not whether you win or lose, but how you play the game." With that fighting Roughneck spirit, and because of that spirit, we're behind our Necks all the way!



Coaches: First Row: Charlie Brand, Ed Dorrich, (Head Coach), Wayne Hay. Second Row: Dwight Richie, Calvin Phillips, Tom Norris, Byron Lauer, Glynn Schmidt, Bobby Touch, Ricky Wright, Ronnie Waddell, Bill Driver.

Angleton Game

The first half of the September 4, Angleton-West Columbia game was a disappointment for the neck-backers.

As the boys left the field after the second quarter, the scoreboard decreed that Angleton was ahead 13-0. However, the Roughnecks came on powerfully in the second half, driving for a much desired Columbia win. The defense scored a safety for the first 2 points. Philip Smith *then recovered the ball in the end zone to score a touchdown, followed by a 2 point conversion, making the score 13-10.*

In spite of the comeback drive, time ran out on the Necks and Angleton won the game 13-10.

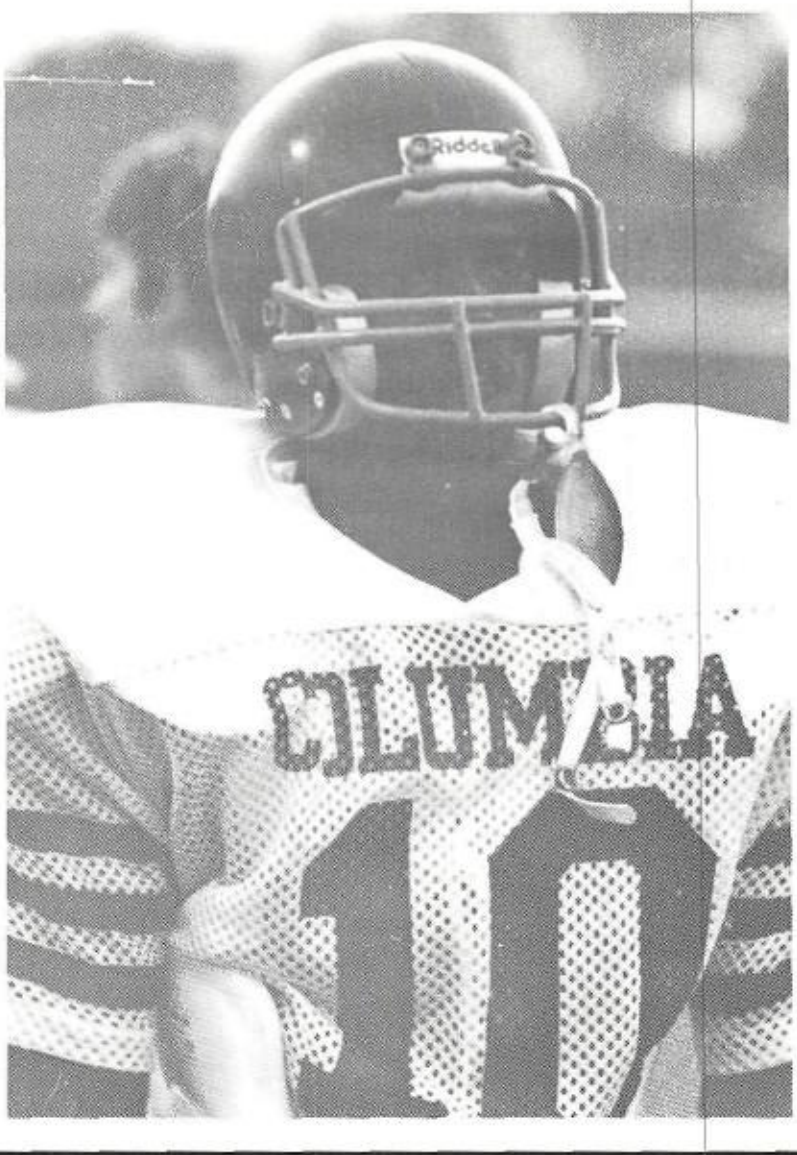
Sweeny Game

Sweeny started out the annual "Battle of the Brazos" with a touchdown in the second quarter. The extra point attempt was blocked and when the first half came to a close, Sweeny led Columbia, 6-0. The Roughnecks defense was hard at work throughout the entire game because of several turnovers which were in favor of Sweeny. In the third quarter, Sweeny scored their second touchdown and ran for a 2 point conversion. The remainder of the game was a defensive battle between the two teams.

In the end, however, the Necks offense could not break through the powerful Sweeny defense and lost the game 14-0.

Wharton Game

The Necks started out the district 14-4A opener against Wharton with a touchdown by Clayton Fields *late in the first quarter. Columbia failed to convert the extra point, leaving the score 6-0. The Tigers immediately scored a touchdown in return, but also missed the extra point, leaving the score tied 6-6 at the end of the first period. Just before time ran out in the first half, Wharton scored another touchdown, but missed the extra point. Fumbles hurt the Necks in the second half. Columbia put together two long drives in the fourth quarter, both ending in discouraging fumbles. With no score in the second half, the game ended with the Necks losing 12-6.*

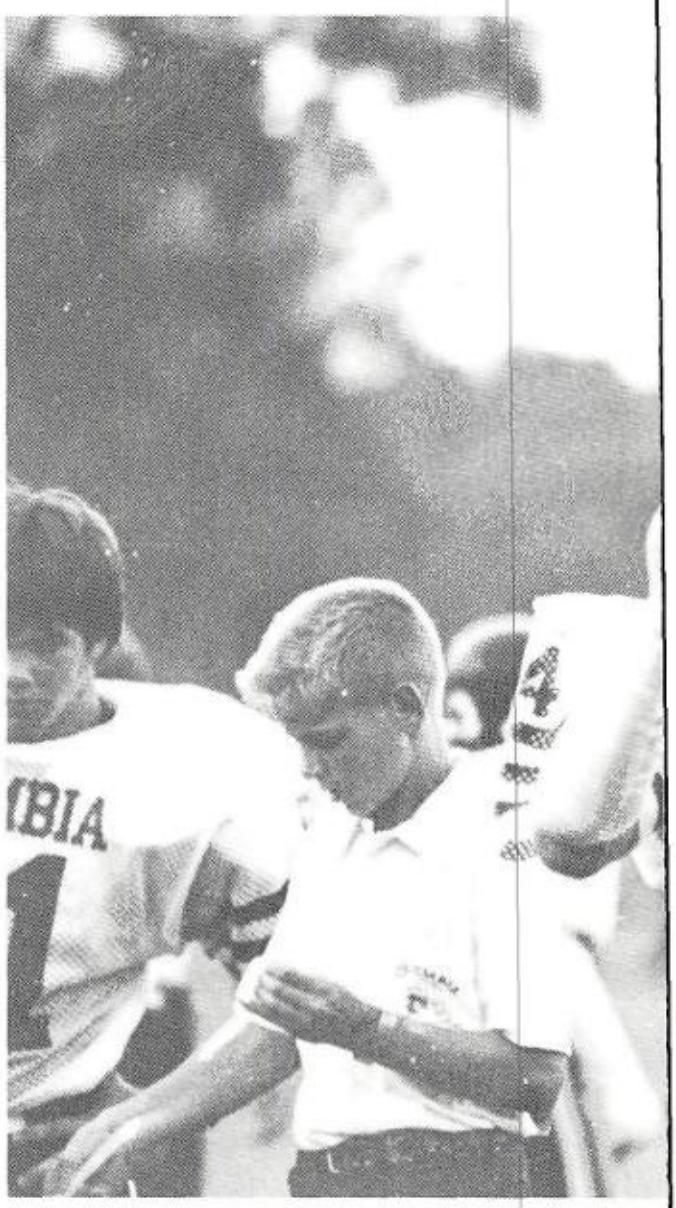


Katy-Taylor Game

The Roughnecks started out the Katy-Taylor-Columbia match-up with a big 51-yard touchdown run by William Bryant, *Columbia's superman.* Clayton Fields *kicked the extra point, giving the Roughnecks a 7-0 first quarter advantage. The remainder of the first half and deep into the third quarter, Columbia and Taylor battled it out defensively, with neither team scoring. Then late in the third quarter Taylor scored a touchdown. The war was on as the Necks struggled for another touchdown. But with 2:08 left in the game, Taylor scored another touchdown giving them a 14-7 victory.*

Bay City Game

It was a close game at Griggs Stadium, September 25, between the Bay City Blackcats and the Columbia Roughnecks. On Columbia's first possession of the game, Necks put together a 7-play drive, ending in a 33-yard touchdown by William Bryant. Clayton Fields *kicked the extra point putting the Roughnecks ahead 7-0. By the middle of the third quarter, the Blackcats were ahead, 17-7. Deep in our own territory, Neck flanker,* Greg Edwards, *threw an option pass to* William Bryant *who took off for a 67-yard score.* Larry Pinkney *carried the ball in for the 2 point conversion and the score was 17-15. Retaliating, Blackcats ran for a touchdown. Late in the fourth quarter, hope was reborn when* William Bryant *scored a touchdown, with the Necks needing a 2-point conversion to tie. The pressure was on the Necks. After a 5 yard penalty for delay of game, they were smothered at the 8-yard line, short of the extra points. Necks went away that night with their fourth loss of the season. Final score was 23-21*



El Campo Game

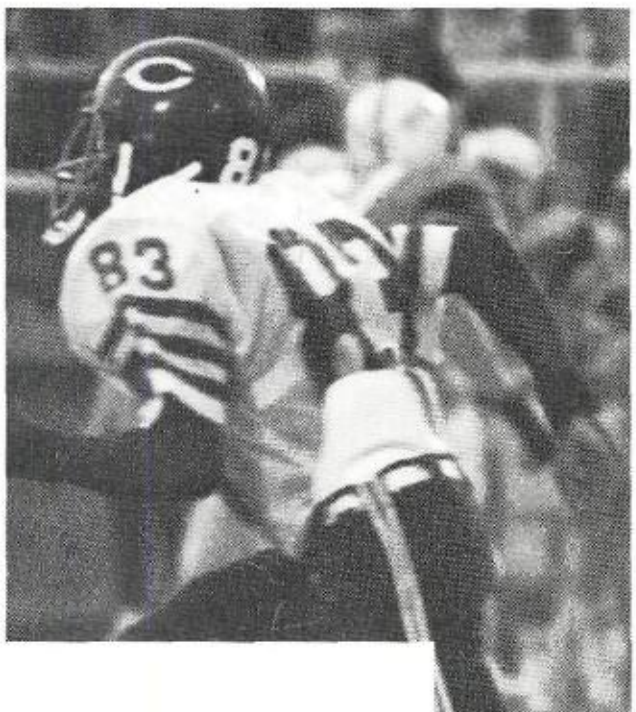
El Campo slipped by the Necks, November 6, after a good strong drive by Columbia.

Clayton Fields *scored in the first quarter, when punter* Mike Birdsong *put the Ricebirds on their own 9-yard line and defensive end* Brady Cooper *knocked the ball loose from a Ricebird player with* Phillip Smith *recovering.*

In the second half, with the score Ricebird 20, Necks 6, Columbia marched 80-yards in 12 plays to score. Randy Mack *took credit for the touchdown. Unfortunately, time ran out on the Roughnecks and El Campo won the game 20-12.*

Brazosport Game

At the end of a scoreless first half, Brazosport and Columbia went to the locker rooms foreseeing a long second half. But neither team knew of the excitement which was to come and would lead to Columbia's first victory of the season!
On the first possession of the second half, Larry Pinkney *scored from a yard out.* Clayton Fields *kicked the extra point, and Columbia went into the final quarter with a 7-0 lead.*
After two Columbia fumbles, the Exporters scored. Their 2-point conversion attempt failed, leaving the score 7-6.
With seven minutes remaining in the game, Brazosport scored again, and this time, made the 2-pt. conversion, making the score 7-14..
The Necks kept a determined drive rolling until the excitement came to a head on the Brazosport 10. Randy Mack *ran through the Exporter defense to score a touchdown.*
Columbia went for two, had the play called back, then went for two again. Fields *hit* Walters *for the two points and Columbia's defense held on to the one point lead, winning the game 15-14.*



Friendswood Game

The Roughnecks were hot Friday night, October 9, and Friendswood could not stop us in our second victory of the season. Columbia scored on our second possession of the game with William Bryant's *67-yard touchdown.* Clayton Fields *then kicked the extra point giving the Necks a 7-0 lead. After two Mustang touchdowns,* Randy Mack *scored another Neck touchdown, making the score 14-14 at the end of the first half.*

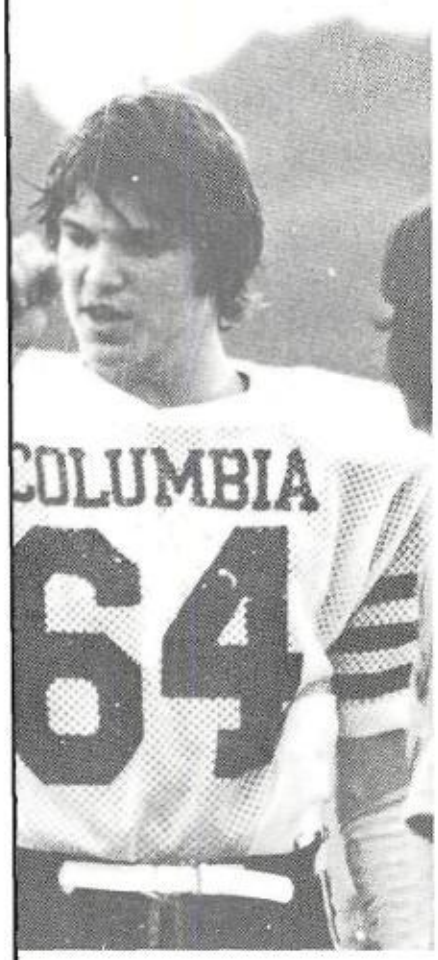
On Columbia's first possession of the second half, William Bryant *ran 75-yards for a touchdown, but the extra point kick was missed. Columbia added a fourth touchdown with* Randy Mack's *12-yard run.* William Bryant *made the 2-point conversion and the game ended with the Necks winning 28-14.*

Sante Fe Game

After a scoreless first half, the Necks led most of the second half in our battle with Sante Fe October 23.

In the third quarter, Clayton Fields *kicked a 26-yard field goal, making the score 3-0 as we entered the fourth quarter.*

In spite of the tough Roughneck defense, the Indians scored a touchdown and the Necks lost the game, 7-3.



Willowridge Game

In the last game of the season, Columbia was overcome by the district championship team from Willowridge.

After a scoreless first quarter, Willowridge managed to put two touchdowns on the scoreboard in the second quarter. Keeping the game close, Randy Mack *ran for a 16-yard touchdown for the Necks. At the end of the first half, the Eagles led 12-6.*

After a safety and field goal by Willowridge, Keith Trahan *scored from two yards out to pull the Necks within five points of the Eagles. The remainder of the game, however, was onesided and Willowridge won by a score of 30-12.*

VOLLEYBALL

Volleyball is an important sport at Columbia. Led by Mrs. Hoffman, *volleyball at CHS is an introduction to the fall sports. "Volleyball gears up the girls for other sports and activities," comments* Mrs. Hoffman.

Although there was a good turn out of players this year, we were unable to form a Jr. Varsity team. Still the freshman and varsity teams played fiercely against stiff competition like El Campo, Wharton, and Brazosport.

One of the most memorable moments for Mrs. Hoffman *was the freshman game against Brazosport. "The girls", says* Mrs. Hoffman, *"put out 110% and overcame their opponent."*

Bana Ashly, *although injured mid-season, served as a key player for the varsity team.* Vanessa Tims *was another outstanding player . . .* Gabriela McCormich, Rita Hernandez, *and* Donna Jones *all played well.*

With the addition of Coach Rossow, *we can all expect our girls' sports to grow, and we can look forward to having winning teams in the future.*

CHS Volleyball Team: Carolyn Miller, Shelly Davis, Marilyn Johnson, Dawn Jones, Thelma Tims, Rita Hernandez, Gabriela McCormich, Kelly Livance, Vanessa Tims, Michelle Williams, Bana Ashley, Marla Hawkins.

BOYS' BASKETBALL

This year there was more enthusiasm and support than ever before from the student body for the basketball program. Columbia Boys' Varsity, although young and inexperienced, was one of the best teams in the District. The boys were fierce and determined but individualism hurt the team.

The boys all worked very hard and although this was a tough season, they are to be admired for their determination. Key players for the Necks were seniors Kevin Cadenhead, *and* Nelva Harris, *juniors* Jeff Robinson *and* Rodney Williams, *and sophomore* Kevin Davis.

GIRLS' BASKETBALL

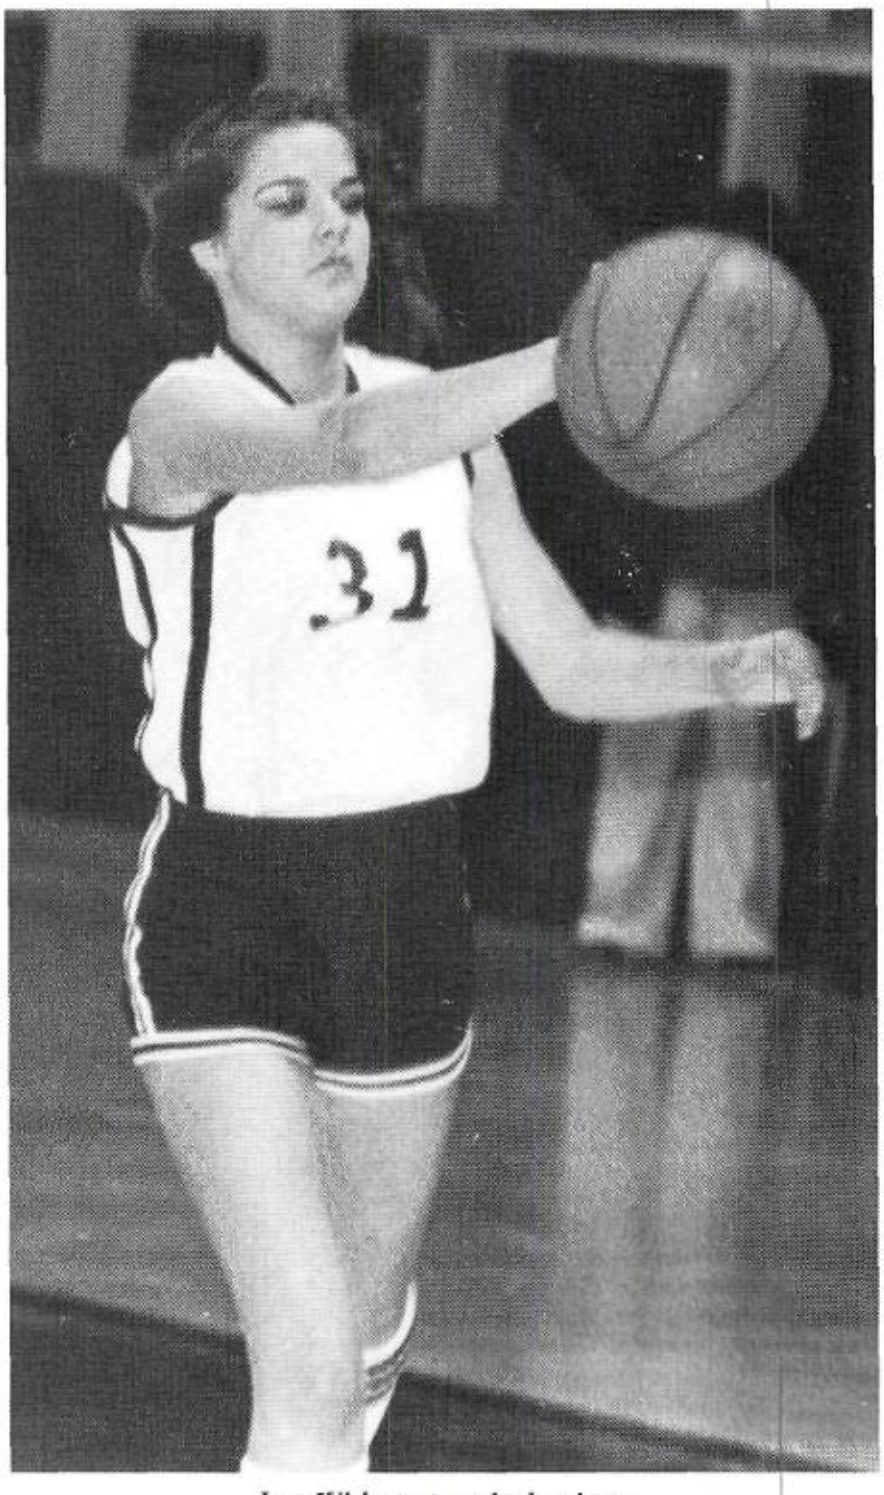
Basketball plays a very important part in the CHS sports curriculum. As students support their classmates, building the morale of the team. Any sport creates unity among both spectators and players as they pull together for that one goal — a victory. No one person wins or loses a game, but rather all must cooperate as a team.

This year's girls' basketball teams worked very well together. In spite of the adjustment to a new coach, there was great improvement in the Columbia group both on the part of the team as a whole and individual performance. Even when the teams lost, they realized that the game was in the past and looked ahead to the next game.

The Varsity team ended up the season with a District record of 9-7. *Every member of the team was important and they all worked very hard. A great strength was found in senior* Gabriella McCormick's *excellent ball-handling. Equally good in passing were* Marilyn Johnson *and* Thelma Tims, *both juniors who will return next year.*



Lesa Kilsby *prepares for free throw.*

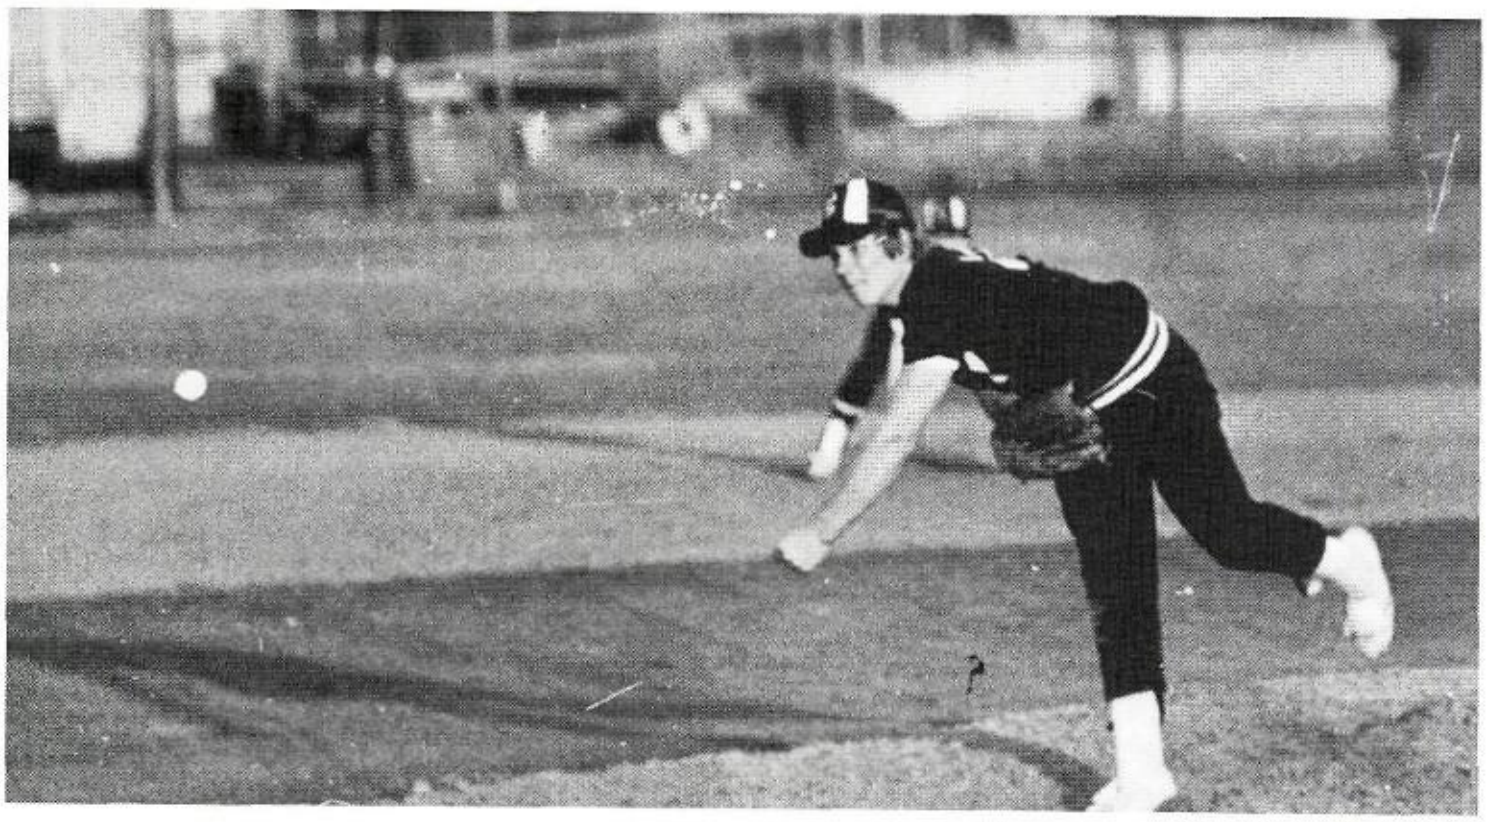
More Baseball

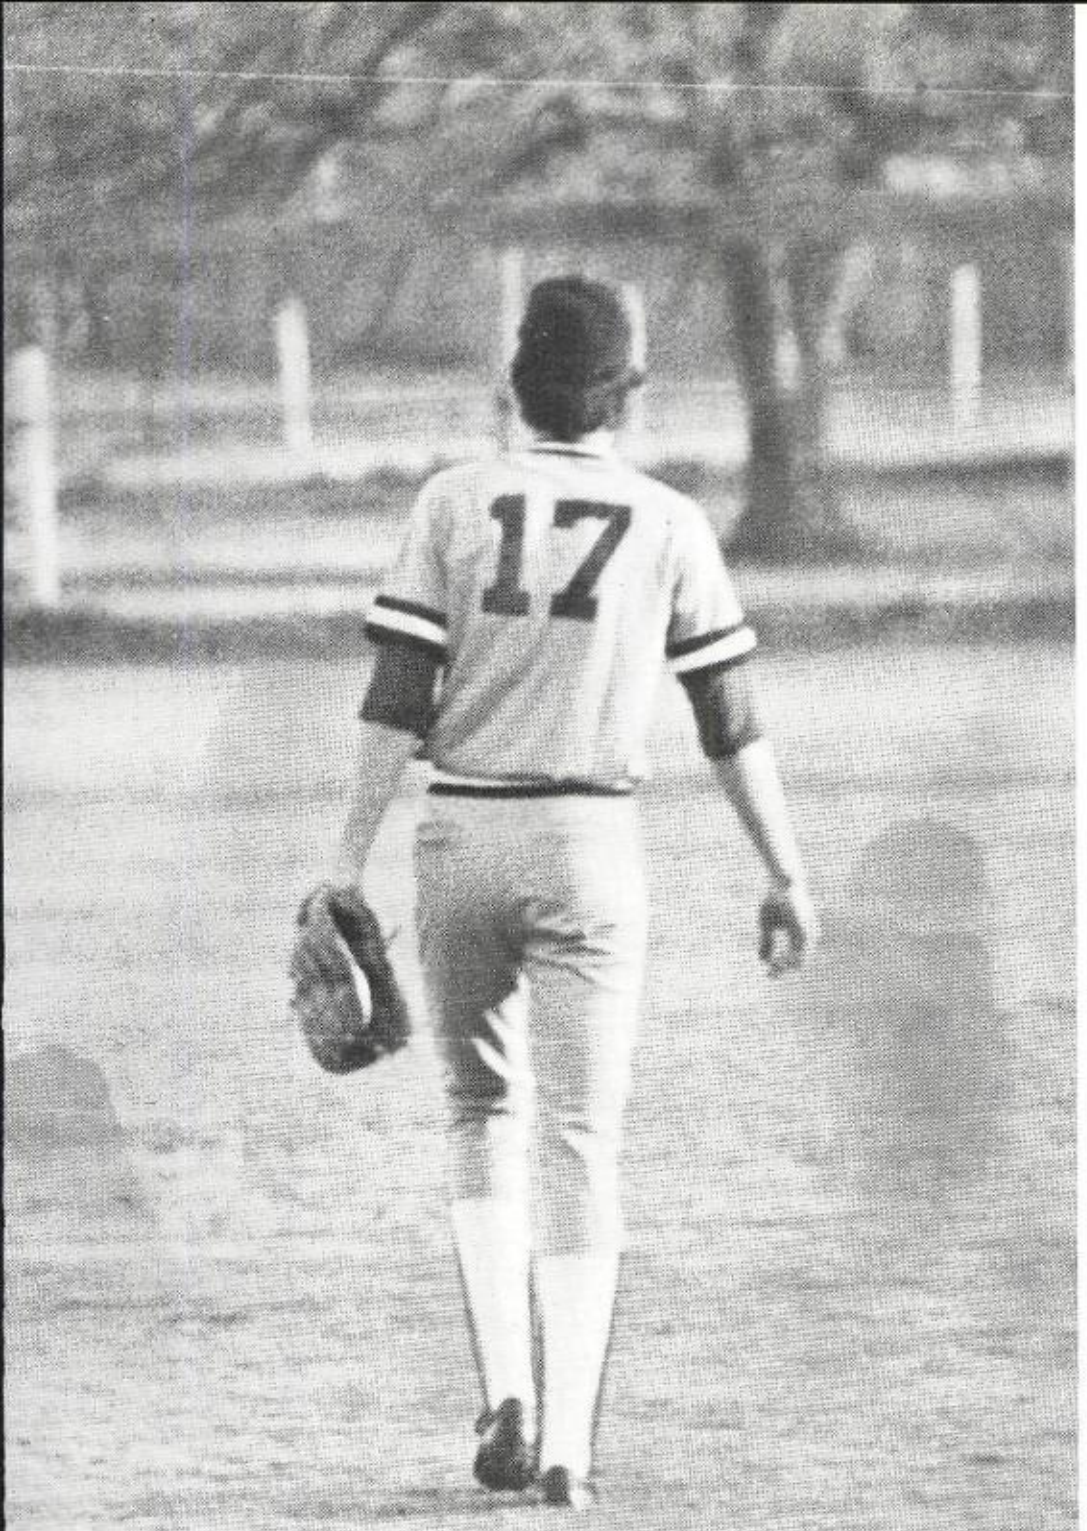


The 1982 baseball season was disappointing for C.H.S.'ers. The reason, according to Coach Tosch, was hitting and errors. Coach Tosch felt that the record could have been turned around if there had been more base hits made and fewer errors.

The season began well with a victory over Hitchcock, giving the players a sense of excitement about the future. At one point our team enjoyed a three game winning streak. It is always rewarding to strum Sweeny being a major rival in this area.

Despite our record we had some outstanding players on our team. Tommy Schuelke, *the pitcher, made the all-district second team.* Quent Walters *made the all-district first team. We heartily congratulate these players for bringing our school acclaim.*

It is Coach Tosch's opinion that we can look forward to an outstanding season next year. The coach is ready, our players are ready, and the student body is ready for Baseball '83.



Tennis

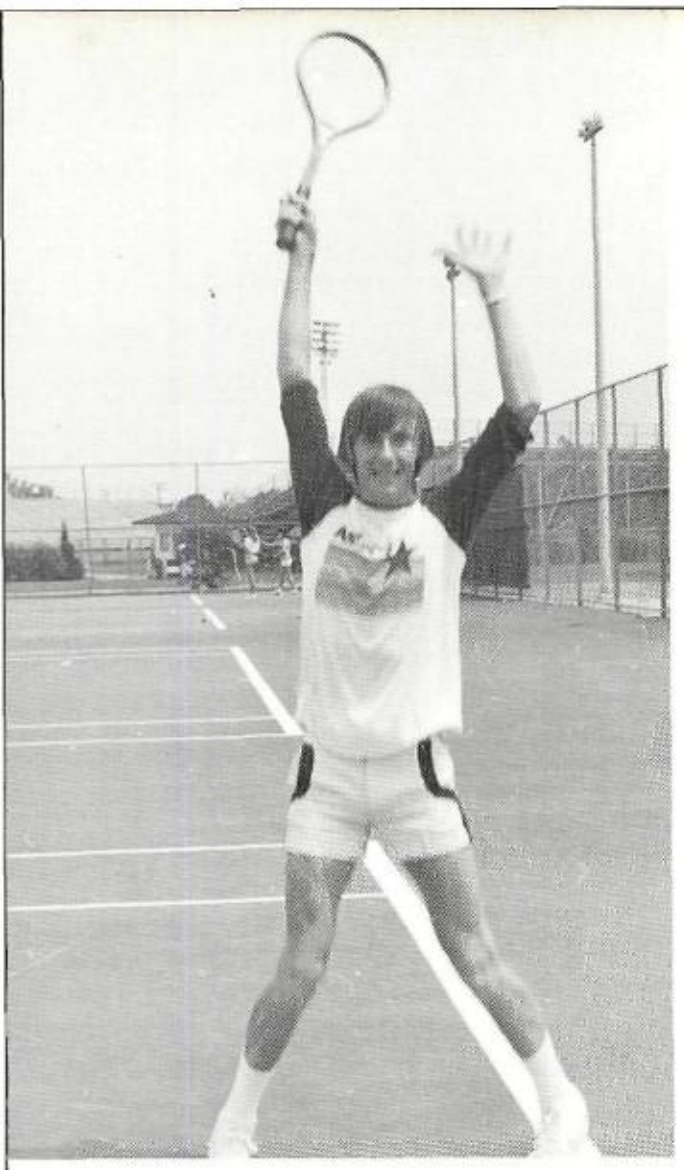
First Row: Tim Wells, Doug Vandre, Mark Strain, Quinton Arnold. Second Row: Wendell Hunter, Larry Hodges, Anthoney Grice, Ernest Harwell, Clark Woodson.

Coach Charlie Brand



Practice, practice, practice — that's the name of the game. The game is tennis and the coach is Charlie Brand. Tennis begins in the cold rain of January and ends in the blistering heat of May. It's a sport of cute outfits, Nike tennis shoes, sun bleached hair, and blistered noses. Will Larry Hodges' face peel away? Will conditioners save Donna's hair? The sport is filled with problems.

The problems certainly did not extend to the boy's team. They had a very good season. Larry Hodges *was the outstanding senior player. Coach Brand sees a great future for freshmen* Mark Strain *and* Clark Woodard. *That seems to predict a strong effort on the part of C.H.S. players in years to come.*

Among the outstanding tournaments is the Sweeny Tournament. Players for our team brought home four first place trophies and the All Around first place trophy.

The girl's team was made up of mostly freshmen and sophomores so it was a fairly young team. Donna Harris, *an outstanding player, was the only senior girl.* Frances Langner, *also outstanding, and* Marilyn Morton *were the only juniors. The younger players were really very promising and will bring strength to future girl's team victories.*

Coach Brand, being a veteran of many C.H.S. seasons, stood behind his team all the way. The coach is aware of the importance of building years as well as winning years. This year was a combination of both, possibly the best type of season.

"You never try; you always do!" This was the theme of the '81-'82 Sports Banquet, a banquet held in honor of those who participated in the sports program here at Columbia. The speaker was Ms. Sidney Weaver of Jersey Village High School in Houston. It was a time of growth and entertainment for everyone.

Gabby McCormick *won both the girl's basketball and the girl's volleyball award.* Quent Walters *was the outstanding baseball player.* Keith Trahan *and* Shanna Mack *won the track awards.* Bobby Fielden *won the golf award and* Nelva Harris *won the boy's basketball award.* Tammie Wasek *was named the outstanding cheerleader.*

SENIORS

To the Class of '82
May Your Memories Be Full
of Promises!

Where did the time go
When I was a child?
Playing and hiding
Running free, running wild.
My high school days
Will soon be past,
Will I really be
Free at last?
Or will my memories,
Cherished and dear
Stay with me forever
Year after year?
To my friends and teachers,
Who can say goodbye?
In my heart forever
Remains Columbia High.

Senior Class Officers: Seated: Bana Ashley, *President. Standing:* Kevin Cadenhead, *Vice President;* Becky Rhubottom, *Secretary;* Mark Skinner, *Treasurer.*

Colors: Lavender and Silver

Flower: Forget-Me-Nots

Song: "Time"

Motto:

Though our time together
is near an end

Our memories we've shared
must now begin.

As we've grown together
to become as one,

Yet the time of our
future has just begun.

— Harris

We asked the sweet-sixteen sophomores, "Have you ever been kissed?"

Kathy B. — Of course.
Rikke B. — Yes, I have.
Hunter O. — Yes. On my first date we went to the A&M-Texas game and I got sick. I didn't get drunk and I didn't throw up . . . I just got sick.
Kim D. — That all depends on what you think a kiss is.
Jeff K. — Yes. On my first date nothing interesting happened. We went to Astroworld. Nothing great.
Reed M. — You're getting a little personal, aren't you?
Michelle P. — Yes!
Burnie K. — Yes! Several times! It was exhilarating! Fun!
Lance N. — Yes!
Laura W. — Yes, I kissed on my first date.
Kim S. — It was boring.
Laetitia K. — Yes, It was pretty bad.
Sonya, Della, Annette, Debra — Yes!!!
Tyree C. — I don't have to answer that.
Mark O. — Yea, I have been kissed before.
Loree C. — No. I haven't met anyone I wanted to kiss.
Michelle M. — I'm not going to answer that.
Joyce R. — Yes.
Raymond F. — (shakes his head no but answers) yes.
Monica — Yes. Mark Harris kissed me.
Rhonda R. — I believe so!
Arcalee — Yea. How embarrassing!
Philip P. — You know I have! Remember in seventh grade? . . . Remember the football game? . . . the kissing contest . . .
Darla G. — Yes.
Gene A. — What do you mean by kiss?
Vanessa T. — Yes.

Editorial Opinion: Judging from the expression on several sophomore's faces, it can be deduced that while their lips were saying "yes," the truth was "no."

Who have you kissed?

Events we had to face, faces we'll never forget.

Friends

The most treasured gift
that God could send
Is to have and hold
a special friend.
He lets us enjoy them
for a season
Then takes them away
for some good reason.
Friends love, friends laugh,
friends talk, friends cry
Then friends finally
have to say goodbye.
It's all for a purpose
as we both know
That's why I have
to let you go.
You have been that special
friend to me
And I'll love you for it
through eternity.
So friends we are
and friends we'll remain
Until God calls us home
or comes again.

A Friend

Judy Lowe — Editor

Wow! We have finished this great Gusher *just in time to meet all deadlines. We hope you like our ideas. We like to think that we have been most creative and that our ideas will please you. It is true that we've had our fights, our laughter, and our tears, still we all stuck together. We hope the book gives all of us the special feeling of closeness we have always felt by bringing back happy memories as the years fly by.*

We want to especially thank Mr. M. P. Stevens, the faculty and the students for their devotion to this yearbook. I would also like to thank the Gusher staff, very special and talented people, for never quitting. They have put everything they have, time, love and talent into this book and I believe it shows. Of course, there would not even be a Gusher without Mrs. Betsy Walker, our patient and extremely gifted artist-sponsor. All of these people have had special parts in making this yearbook the best ever. We also thank you, our reader for supporting us.

Judy Lowe
